Dear Mrs. Whitman; We are seeking verification of legal entry into the U.S. of Benj. Myer Kaplan or Myer Baruch or Maier Boris, who claims to have arrived at Ellis Island New York in the winter of 1904-05 enroute to his uncle Barnett Beurman 19 Laconia St., Boston Mass.

He claims that he attended night school at the Franklin School on Waltham Street near Shamut Ave. and Tremont Street for two winters shortly after his arrival. He also, claims to have been about 16 years of age.

Affidavits from his uncle gives the dates of his residence with him as 1908 to 1918 which is very conflicting. We are unable to get any record from Ellis Island and therefore am appealing to you to get all possible data on this case. Please rush your answer as Mr. Kaplan is detained here by Immigration Authorities for a clearance of his case. You may also inform his relative that said Mr. Kaplan is stranded financially and he must have funds to live and fight his case.

Yours truly,

Mrs. Frank Zlabovsky

Re; Benj. Kaplan

Dear Mrs. Whitman;

With further reference to the case of Benj. Kaplan we are informed that he worked in the shipyards in Quincy, Mass. during the war. A record of that with affidavit attached would help us greatly in clearing the case.

The man is without funds and please ask his family to do something for him.

Yours truly,

Mrs. Frank Zlabovsky

Dear Miss Razovsky;

Thanks to you for your untiring efforts which resulted in the

clearance of the case of Benj. Kaplan.

The Immigration Dept. at Ellis Island wired the Department here that
Baruch Kaplan aged 15 arrived Feb. 24, 1905 on the Fatherland.

This is much more satisfactory than resorting to the seven year
status.

Yours truly,
