AMERICAN CONSULAR SERVICE

Kaunas, Lithuania, July 16, 1936.

DEPARTMENT OF STATE

Mr. Karl Wallace,
El Paso,
Texas

Sir:

The receipt is acknowledged of your letter of June 29, 1936, requesting the issuance of an immigration visa to your niece, Miss Sara Feldman, who it is stated desires to join you in the United States. There were enclosed a number of documents with regard to your financial position, a check, The State National Bank, El Paso, Texas, No. 251638, payable to the Honorable Felix Cole, in the amount of \$50 for expenses, and a passage order on the French Line for the transportation of Miss Feldman from Kaunas to El Paso.

An alien who desires to immigrate to the United States is required to appear at an American consular office in order that it may be determined by direct examination whether or not he is, under American immigration laws and regulations, admissible to the United States. A formal application for an immigration visa must be executed under oath.

Among the classes of aliens enumerated in the Immigration Act of February 5, 1917, as inadmissible to the United States, are persons likely to become a public charge. Applicants are subjected to a thorough examination in the light of economic conditions in the United States to determine whether or not they may fall within this category.

While the Consulate is not inclined to raise at this time the question of your ability to provide for the additional member to be included in your household, it is observed that the relationship between you and Miss Feldman is not of such consanguinity as to convey an unqualified obligation of support for, in case of necessity, an indeterminate period. An affidavit of support, such as the one you have executed in your

niece's

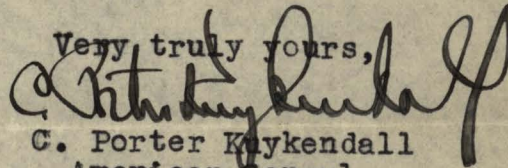

niece's favor does not create an obligation enforceable at law and, except when members of the immediate family are involved or when it has been shown that the affiant has taken a substantial interest in the past material welfare of the applicant, is accorded only limited probative value as establishing the existence of an assured source of the applicant's support.

In Miss Feldman's case no evidence has been presented to show that you have in the past contributed to her support, and as there is no information to the effect that she has means of her own, the Consulate is of the opinion, after an examination of the evidence at hand, that she is an alien likely to become a public charge in the event that she should be admitted into the United States. While a final decision will not be rendered prior to the applicant's personal appearance and direct examination, it appears that she is ineligible for admission into the United States under the excluding provision of the Immigration Act of February 5, 1917, which has been cited above, and that the issuance of a visa would be refused.

Any further evidence which may be submitted by Miss Feldman or by others in her behalf, will receive the Consulate's careful and sympathetic consideration.

The check enclosed in your letter is returned to you herewith.

Very truly yours,

C. Porter Knykendall
American Consul

Enclosure:

Check No. 251638, The State

in the amount of \$50.00.

El Paso, Texas,
August 12, 1936.

Honorable C. Porter Kukendall,
American Consul,
Kaunas, Lithuania.

Dear Sir:-

This will acknowledge receipt of your letter of the 16th ult., with reference to our niece, Miss Sara Feldman.

For the past three years economic conditions have been such that we have contributed towards our niece's support regularly, sending money to her through personal contact and through registered mail. The attached letter from our Postmaster in El Paso, Texas verifies that statement.

We have today placed to the credit of our niece, Sara Feldman the sum of \$1,000.00, as per letter attached from the State National Bank of El Paso, Texas, and it is our intention to supplement to this account from time to time as her needs justify.

Our desire to have our niece become a member of our household is so sincere that we stand ready to give you every assurance that you may ask that she will never become a public charge or seek employment, that we will give her the same consideration we do our own children. We have always looked upon our sister's daughter as one of our own, and therefore feel obligated to take the same interest in her that such close relationship justifies.

Trusting with the above additional information, you will see your way clear of granting our niece the necessary documents, and assuring you of our appreciation for your sympathetic consideration, thanking you, we are

Most respectfully,

Karl Wallace.

Anna Wallace.

To Whom It May Concern:-

This is to advise the El Paso Post Office has a record of registered letters Nos. 9905 mailed Dec. 6, 1934, 2522 mailed Aug. 10, 1935, 1209 mailed Jan. 16, 1936, June 29, 1936 under No. 2165; and Nos. 490, 491 and 492 mailed July 8, 1936, by Mrs. E. Wallace, 1001 W. Missouri St., El Paso, Texas, to Chasa Feldman, Siandine Keduliar, Yurbarkas, Lithuania, or other members of the Feldman family; that the Register Clerks of this office also recall Mrs. Wallace presents registers for mailing about every month and has been so doing since 1934, but she failed to retain any receipts prior to the one dated Dec. 6, 1934, or receipts for letters mailed other months. According to the fees paid for registration the letters were valued at \$5.00 or more. She claims these registers are mailed monthly containing money for the support of Sara Feldman in Yurbarkas, Lithuania, which money she mails to members of the family for Sara Feldman, whom she now desires to have come to the United States.

Yours truly,

Postmaster.

P.S. - The records of this office also show we issued International Money Order No. 68527 on December 4, 1930, amount \$75.00, to M. Feldman, Shandine, Kidulu, Lithuania, purchased by Anna Wallace, 1001 W. Missouri Street, El Paso, Texas.

Dear Miss Razovsky:-

Re: Miss Sara Feldman, Shandine Lithuania.

The enclosed letter will acquaint you with the above case. In addition to documents mentioned by the American Consul, Mr. Wallace sent affidavits signed by himself and his brother-in-law, Mr. Simon Kahn, whose relationship to this girl that of his wife's niece, (Mrs. Kahn and Mrs. Wallace are sisters), guaranteeing that she would never become a public charge or have to seek labor. From the enclosed photostat you can readily see with what esteem the Kahns and Wallace families are held in this community.

Mr. Wallace has appealed to us since he is at a loss to know just what the American Consul in Lithuania wants as further proof of his sincerity.

Would it be possible for you to bring some influence to bear on this case.

Thanking you for your assistance, I am

Dear Mrs. Zlabovsky:

Re: Miss Sara Feldman
Shandine, Lithuania

Apparently the papers made out in Miss Feldman's behalf were not satisfactory. There should be an affidavit pointing out the exact relationship of the girl and Mr. Simon Kahn's wife, giving the names of their parents and grandparents. Did any of the relatives pay income tax? Usually a certified copy of the income tax statement carries weight with the Consul.

It is very difficult for us to write to consuls on every case that comes before us, particularly East European cases. I should say that you will simply have to suggest to the relatives that they get more papers in support of the fact that they can take care of this girl.

I am returning the photostatic copy. It is not enough to say that people are fine or good or responsible. It is necessary for them to show how much money they have in the bank, how much real estate they own, and so forth. They should go into all sorts of details, to convince the Consul that they are really interested in the immigrant.

Sincerely yours,

Dear Sir:-

Several months ago Mr. Simon Kahn and Mr. Karl Wallace of El Paso filed affidavits and documents of good reference and financial standing with the American Consul in Lithuania (Kaunas) for the purpose of inducing the American Consul to give a visa to their niece Miss Sara Feldman, Shaddine, Lithuania. They also sent steamer and rail transportation.

It seems that the Consul questioned the relationship of these two gentlemen to the young lady. He also questioned the matter of the girl's support. Upon close investigation we find that Mrs. Wallace and Mrs. Kahn, sisters, are Aunts of the aforementioned Miss Feldman, and that they have for the past three years been sending money for this girl's maintenance. This statement is verified by our Postmaster in El Paso because of the registered mail which goes forward monthly to the family in Shaudine, Lithuania.

We have drawn up the inclosed affidavits showing the exact relationship of the young lady to the Kahn and Wallace families, and am now appealing to you to assist us in getting this girl admitted into the United States. Mr. Kahn is well known to you, am sure, being the Owner of the Kahn's Bakery, and you will agree with me that he will live up to the affidavit that he signed assuming full responsibility for the support of Miss Feldman and assurance that she will not seek labor or ever become a public charge.

In reply refer to
VD 811.111 Feldman, Sara

January 30, 1937

My dear Mr. Thomason:

I have your letter of January 22, 1937, transmitting a copy of a letter dated January 20, 1937, from Mrs. Frank Zlabovsky, together with a copy of a joint affidavit executed by Mrs. Chya Pesachson Kahn and Mrs. Chane Pesachon Wallace in behalf of Miss Sara Sehane Feldman, who is said to be their niece and whom they desire to have admitted into the United States.

As you know, our consular officers abroad are charged, under the law, with the responsibility of determining the eligibility of applicants for immigration visas to receive such visas. Accordingly, in the case of Miss Feldman the Consul at Kaunas must determine whether she has met the requirements of the pertinent provisions of the immigration laws and may properly be issued a visa.

I

The Honorable

R. E. Thomason,

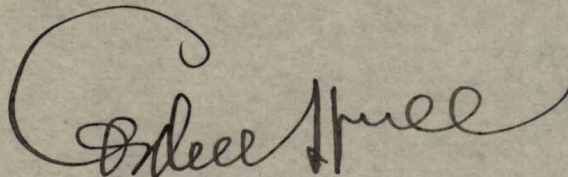

House of Representatives.

I assume that the original of the affidavit executed by Mrs. Kahn and Mrs. Wallace has been sent to the Consul at Kaunas, but if such is not the case I would suggest that this be done. I assure you that the Consul will give it very careful consideration along with any other evidence submitted.

As of possible interest, I am enclosing a Departmental leaflet which contains on page two general suggestions for the preparation of evidence of support in visa cases. I would call particular attention to the suggestion that the statement of interested persons be corroborated so far as may be possible by documentary evidence and by affidavits of responsible disinterested persons.

Although there is nothing I may properly do to facilitate the issuance of an immigration visa to Miss Feldman, it has been a pleasure to send a copy of your letter to the Consul at Kaunas, with the request that he write you direct regarding the present status of her case.

Sincerely yours,

Dear Sir:-

Re: Miss Sara Feldman,
Shaudine, Lithuania.

Mr. Karl Wallace has asked that we request the return of the Steamship and Railway ticket sent on June of 1936 for the transportation of their niece, Miss Feldman. Mr. and Mrs. Wallace make the statement that they prefer the young lady to remain with her family at this time.

If you will be kind enough to send the ticket to our office, we will turn same over to Mr. Wallace and forward receipt to you.

Thanking you, we are

Yours very truly,

THE FOREIGN SERVICE
OF THE
DEPARTMENT OF STATE UNITED STATES OF AMERICA

AMERICAN CONSULATE

Kaunas, Lithuania, May 22, 1937.

The Honorable
R. E. Thomason,
House of Representatives,
Washington, D. C.

Sir:

I have the honor to refer to the Consulate's communication of February 3, 1937, in reply to your letter of January 22, 1937, inquiring with regard to the status of the immigration visa case of Miss Sara Feldman, a Lithuanian citizen, and the niece of Mrs. Chaya Pesachson Kahn and Mrs. Chane Pesachon Wallace, of El Paso, Texas, who filed a joint affidavit of support in behalf of their niece.

The Consulate is now in receipt of a communication dated May 6, 1937, from the El Paso Section of the National Council of Jewish Women, in which it is stated that Mr. and Mrs. Karl Wallace prefer that the applicant remain in Lithuania with her parents.

In view of the foregoing statement, the Consulate will no longer be able to accept the evidence presented by the applicant to overcome the public charge exclusion provision of Section 3 of the Immigration Act of February 5, 1917, and would be forced, should the applicant desire to file a formal application, to refuse the issuance of a visa to her on that ground. The case is accordingly considered closed.

Respectfully yours,

C. Porter Kuykendall,
American Consul.

AMERICAN CONSULATE

Kaunas, Lithuania, May 22, 1937.

Mrs. Frank Zlabovsky,
National Council of Jewish Women,
El Paso, Texas.

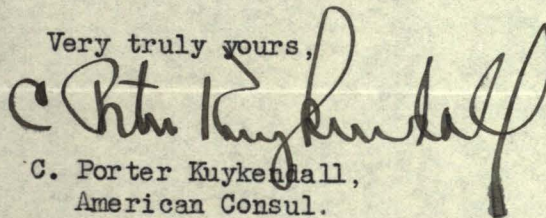

Madam:

The receipt is acknowledged of your letter dated May 6, 1937, in which you state that Mr. Karl Wallace has requested you to obtain from this office the steamship and railway ticket sent in June, 1936, for the use of Miss Sara Feldman, his niece and an applicant for an immigration visa. You add that Mr. and Mrs. Wallace have stated that they prefer that the applicant remain with her family in Lithuania.

A search of the records of the Consulate fails to disclose that a steamship and railway ticket were sent to this office for the use of the aforementioned applicant. It would seem more appropriate under the circumstances for Mr. Karl Wallace to apply directly to the steamship company which sold him the ticket.

The Consulate has taken due note of your statement concerning the desire of Mr. and Mrs. Karl Wallace that the applicant remain in Lithuania with her family.

Very truly yours,

C. Porter Kuykendall,
American Consul.

Dear Sir:-

Re: Sara Feldman.

Acknowledging receipt of your letter of May 22nd, may we call your attention to the letter written to you by Mr. Wallace June 29, 1936, in which he states as follows:

We also wish to quote your reply to the above letter under date of July 16, 1936 in which you acknowledge receipt of the check amounting to \$50.00 and a passage order on the French Line for transportation of Miss Feldman from Kaunas to El Paso, Texas. Mr. Wallace has communicated with the Steamship Company and they will only relinquish the amount paid for ticket upon presentation of said ticket. Will you kindly again search your files, and when same is found return the ticket to us.
