ADDRESS ALL COMMUNICATIONS TO  
P. O. BOX 1367

Mrs. Frank Zlabovsky,  
1016 Olive Street,  
El Paso, Texas.

My dear Mrs. Zlabovsky:

I regret very much to know that you think that I for a moment doubt any statement that you sent so far as its justness and its honorableness is concerned. I simply desired an itemized statement so that when my accounts are checked, there may be a definite statement as to the amounts paid out. We have paid Mrs. Turk some bills and even now I cannot check the statement for \$15.00 against the payments that we have already made to her. However, I am enclosing check for \$25.00 which I would ask you to turn over to Mr. Rosenthal.

Sincerely yours,

*Martin Zielonka*

My dear Mrs. Zlabovsky:

I was indeed surprised to receive your letter of March 17th and upon taking the matter up with my Secretary I find that upon receiving the letter from Mr. Oseransky to the effect he had paid you \$15.00 contribution to the European Relief, she forwarded you the form letter with the type written request for remittance.

I did not know that the letter was sent you, so you can imagine my surprise when I received your letter of the 17th. Had I known of Mr. Oseransky's statement I would have instructed my Secretary to take the matter up with Dr. Zeilonka, to whom I know you have made a complete and accurate report of all your activities in connection with this most deserving work.

Please accept my apology and be assured the letter was not intended as you construe it, but was one of those unaccountable and unavoidable accidents which will occasionally happen.

With kindest regards, I remain,

Yours very truly,

Dear Mrs. Slaboorsky,

Your new years card received with great pleasure and was glad to hear from you, but you will have to excuse me for not answering you any sooner it is not that I forgot about you, believe me it is not, its only because I happened to lose your address.

Just a few words about myself. It is just this, that I did not find

things as I pictured them  
to myself, but of course I  
have to be satisfied with  
everything so long as I am  
away from there, but you  
I will never forget what  
you have done for me, and  
I can never thank you  
so much for it. I may have  
to go back yet because against  
the law we cannot do anything,  
I think I will know about  
it in about 2 months around.  
If my brother could have  
helped me he certainly  
would but he can't do my-  
thing.

And now please write

me how you are getting  
and your husband and  
and how is your mother  
I would like to know  
these are any more in  
in Juarez and if Mrs  
is still there?

And now if any one  
will happen to come  
don't forget to come to  
my brother would  
like to see any one of you  
as he could thank you  
what you did.

Please write to  
soon as you get my letter  
I will write you soon  
Tell me if you have

my other letter I wrote it in  
German I don't know if you could  
read it, but write me if you  
could understand it so then  
I will better write you in German.

No more to write hoping  
all is well I remain,

As ever,

The youngest brother Roll.

This is my address,

Mr. Fred Roll

Co Mr. London

130 E. 2. St.

New York City.
