Dear Mrs. Zlabovsky:

Re: Gil Altschuler

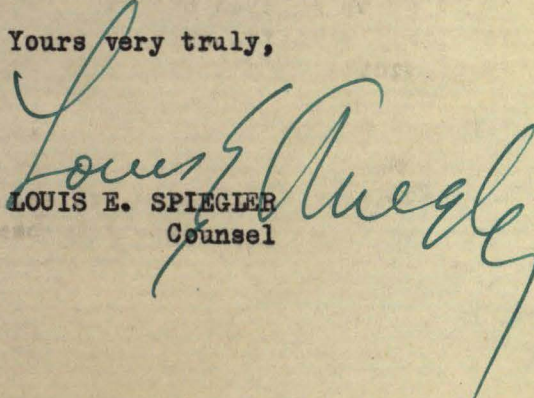

We are pleased to inform you the hearing in this matter has been scheduled for July 22 at 9:00 AM. We shall, of course, present the case on the basis of the information you have forwarded to us.

It is noted that Mr. Altschuler desires to come to the United States for business purposes. Could you obtain and send us any documentary evidence such as copies of communications between him and business firms in the United States?

Are his three children residing with him? We note that his son Maurice was a student at the Texas Military Institute and also at Texas A & M College. Can you give us dates of his attendance there? Did he graduate from both schools?

We hope that you will be able to send us the desired information as soon as possible.

Yours very truly,

LOUIS E. SPIEGLER
