Re: Mrs. Elsie Neufelt

My dear Mrs. Zlabovsky:

May we again call your attention to the state-
 ment for dental work which we forwarded to you on
 August 20th, in behalf of the above named? Dr. Iscovetz
 made the very special price of \$50.00 and we hope it will
 not be necessary to delay payment longer. Your attention
 to this matter will be greatly appreciated, and we want
 to assure you of our continued interest and willingness
 to be of service at all times.

Yours very truly,

Dora Berres
