Dear Rabbi:-

Your Brother, Genachas, has appealed to me to assist him in getting a number which will enable him to enter the United States. This can only be done thru yours and your sister's assistance. You will have to furnish guilt edge affidavits of support, and since the Labor Department does not encourage the admission of young men who are in the laboring class, I would suggest that a letter be written by you to the effect that you want your brother to enter the United States for educational purpose only, that since he is a young man of just 21, you wish to prepare him for the Rabbinate, and that you are ready and able to keep him in school until he completes his education. As soon as I receive the above necessary documents, I will be glad to present the case to the American Consul for his consideration.

Yours very truly,

MRS. FRANK ZLABOVSKY, FIELD EXECUTIVE.

Dear Rabbi Shneider;

With reference to the affidavit for your brother an affidavit from you will help a great deal regardless of the fact that you are not an American Citizen. Your position as a Rabbi would take care of the question of citizenship.

Attach to your affidavit a character letter from your Congregation as this would add to the presige of your brothers case.

Your immediate attention to this will enable me to care for the situation at this end of the line. Please get in touch with your uncle in Rockdale and ask him to send an Affidavit also.

Yours truly,

Mrs. Frank Zlabovsky, Field Executive
