SUBJECT Mrs. A. Schwartz

We have just received word from Detroit that Mrs. Leah Schwartz and her daughter, Selda, joined the husband and father about October 10. However, the son, Aaron, remained in Mexico because they were unable to secure a passport for him. Mr. Schwartz could not explain this clearly. Will you kindly look into the matter and see just what it is that is holding up this boy's arrival.

Dear Madam:

About three weeks ago I sent a check for \$31.00 to my son in Juarez in care of a Mrs. Weichselbaum. As yet my son has not received the check, but in view of the fact that he needs money, and it takes so long for a registered letter to get around in Mexico, I am sending you another check for \$31.00. If you would be so kind as to remit this money to Mrs. Weichselbaum, I would appreciate it. Thanking you in advance, I remain,

Yours truly,
A. Schwartz

Dear Madam :-

Please remit the enclosed check for \$31.00 to my son in care of Mrs Weitzelbaum. I take this means of sending him the money, because the Mexican Postal authorities seem to be very unreliable, and a registered letter has to go thru too much red tape before it gets to the required destination. I would appreciate your giving this money to Mrs Weitzelbaum very much, and would be very much obliged.

(2)

My wife and daughter are doing very well here in Detroit, and I am very happy to hear that my son is getting along pretty well back in Juarez. Could you inform me as to whether my son needs a passport.

If so, could some arrangements be made towards getting one beforehand. I am inquiring in regard to this because I am getting my citizen papers soon.

Thanking you in advance for what you are doing for my family and me, I remain,

Yours truly,
A. Schwartz

P.S. : I believe the name should
be Weichselbaum instead of
Weitzelbaum. However, that is
the name of the caretaker of my son,
Aaron.
