RE: Dr. Robert Odenwald

My dear Mrs. Zlabovsky:

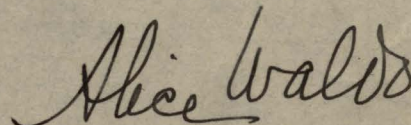

Miss Razovsky has suggested to me enlisting again your kind offices in behalf of a German who would immigrate to the United States.

The papers enclosed look very favorable and as though the Consul might approve of them. Will you be good enough to present them to him for pre-examination to see if he thinks it desirable to call Dr. Odenwald for an interview?

You will note that there is need of haste in getting these papers approved, as Dr. Odenwald's extension to his passport is effective only until March 18th, as it expires on May 18th.

We will be most grateful to you for your kindness in assisting in this matter.

Very sincerely,

Alice Waldo

RE: Dr. Robert Odenwald

My dear Mrs. Zlabovsky:

Will you be good enough to let us know what the situation is with Dr. Odenwald?

Father Feige telephoned to me that the Consul demanded Dr. Odenwald's original documents showing his medical qualifications, which were filed with the Board of Medical Examiners at Albany, but had sent for these and hope that they would be available soon.

This morning I had a card from Dr. Odenwald, dated February 19th, saying that he hoped the matter would be solved soon.

We will be most grateful for your reply and enclose postage for it.

Very sincerely,

Alice Waldo

Miss Cecelia Razovsky,
221 West 57th Street,
New York, New York.

Dear Miss Razovsky:

I am pleased to inform you that Dr. Odenwald has received his quota number and visa, and has been admitted to permanently enter the United States.

This is one of the cases sent me by Alice Waldo. There was a delay of several days due to the peculiar wording of the cable sent by our American Consul to the American Consul in Berlin, but am glad to have been of assistance in this case.

With kindest regards, I am

Yours very truly,

Mrs. Frank Zlabovsky,
Field Executive.

Re: Dr. Robert Odenwald

My dear Mrs. Zlabovsky:

Will you accept our very hearty thanks and my apologies for not having sooner written to you after seeing Dr. Odenwald and receiving from him your nice letter. We are more than grateful to you for your assistance to Dr. Odenwald in getting through the trying period which he had.

Miss Razovsky has been called to Cuba on business, so has not made response to you. You may hear from her on her return, but she saw your letter just before she left.

Many thanks again and with the hope that we may some day return in part your many courtesies.

Very sincerely,

Alice Waldo

My dear Mrs. Glabensky!

Now it is the highest time to write to you and to thank you on this way very much for all what you have done for me.

I hoped always to be able to send the remedies, that my wife will send you from Germany but it seems that will be longer time.

I failed to bring this baby with the hydrocephalus to New York City as they have enough so cases and do not need more.

On the 1st of April I arrived here and made on the same day my application for the first papers. Since this time I am very busy and did not come to visit your daughter in New York what I will do in the next days.

I hope that my wife will soon come to
here, I sent all the papers needed to the American
Consul in Germany and hope all will be in order.
My best greetings to your daughter, son in law
and your grandchildren and particularly
to yourself

Yours very thankfully

Robert Delemont
