This is a report of the Service to the Foreign Born of the National Council of Jewish Women. The report to follow is from June 1, 1932 to Sept. 30, 1932 inclusive.

During this period 80 round trips were made to Juarez by our field exective and 310 families-called-upon calls were made. Food and clâthing were distributed to the needy and moral support was given where necessary.

There were twenty paroles to me during that time. Six persons received medical attention through the courtesy of Dr. N. Keller, one child received dental artention through the courtesy of Dr. Louis Blumenthat, and one was an optical case cared for by Dr. Davis. Two cases were cared for in Juarez through the courtesy of Dr. Weiss.

The following immigrants were addmitted into the U.S. through this port of entry.

Mr. and Mrs. Saposnikov and 3 children (Russian)
Mr. and Mrs. Skomarowsky and two children (Russian)
David Sussen (Russian)
Mr. and Mrs. Morris Steinand three children (Polish)
Max Fleischmann (Lithuanian)
Sam Rapaport (Polish)
Mr. and Mrs. C. Bloy and three children (Lithuanian)
Canrad Wolf (Hungarian)
Zelman Mann (Roumanian)

A border passport was issued to Mrs. Rose Weiner. This particular case was ^{represented} ~~passed on~~ by the Councillor of Hias in Washington.

The Kamberg case has received favorable mention in Washington and she will receive her non quota vise November 6, at which time she will terminate her classifications as a section 17 subject.

Cases of special interest are as follows;

Pinchuk

The Pinchuk baby reported by Dr. Keller to be under nourished and vitality very low. The baby has a burned hand which has caused the leders to draw together and the Dr. cannot operate until the childs health has improved. We furnishd money for milk and ice during the entire summer to this family. At the present time the child is greatly improved. An ice box was secured second hand for this family the pruchase price being twelve pesos.

Bernard Barofsky

This man came to us from Tampico where he underwent an operation

as a result of an accident that injured his right arm. Through some mishap the doctor severed the leders which made the arm lifeless. Dr. Villereal in Juarez advised that another operation would be necessary which would have entailed considerable cost and a months in the hospital Mr. Borofsky said that if we would send him to Mexico City he could have this operation preformed free of charge, so we sent him to Mexico City The total cost ofthis case was \$40.00.

Nissim Cicourel

This young man is a turkish Jew and has an excellent education. asked me to intercede in his behalf to secure a number for entry into the U.S. The Turkish quota is very small but I tookthe matter up with our councillor in Washington and this young man is now getting a new passport and other papers which will enable him to present his case before the American Council.

William Marton.

Mr. Marton is a Roumanian and came to Juarez from Mexico City. He came to us begging for help having neither food nor, a place to sleep. The Council gave \$50 to this young man as emergency relief.

Twelve peses were given to each of the following for registration money

Schule Gechter
Mary Rom
Mr. and Mrs. Pinchuk

---A-~~parele~~-case of interest was that of a Mr. and Mrs. Friest. who applied at the bridge for permission to go to Juarez. Mr. Friest showed citizenship papers issued in 1926. His wife claimed that she was an American Citizen and was in the U.S forty years and had taken out citizenship papers before she married her husband in 190. Mrs. Friest became very indignant when we informed her that she was not an American Citizen. for if she had ever been an Naturalized America Citizen she lost that privie when she married an alien. and he was still an alien in 1922 when the Cable act went into effect. However these people were given permission to go to Juarez and return and she promised to take out her citizenship papers upon her return to N.Y.

May I take this opportunity of thanking the ladies who so kindly assiste me in my work during the summer. Mrs Ed Wisbrun, Mrs. Bernard Winner, Mrs Fabian Stolaroff, Mrs Maurice Schwartz, Mrs Bertha Zork, Mrs Luis Zork, Mrs Errold Lapowski Mrs Bernie Berg, Miss Gertrude Mathias, Miss Margaret Aronstein, and Miss Goldie Bleed who accompanied me on each and every trip I made to Juarez during the entire summer. Miss Bleeker kept a detailed report of the work accomplished there and her assistanc cannot be overestimated.

We received donations from Mrs. Ralph Hanau and from Mr. Nate Aug o San Francisco who on a visit to Juarez felt compassion for the suffering of our un-

fortunate immigrants.

Respectfully submitted,

Dear Mrs. Derman:

Your brother has asked me to intercede in his behalf to secure for him a quota number for permanent entry into the United States. Your affidavit and that of your husband would not receive favorable recognition and I therefore hesitate to present the case under its present status.

Will you kindly secure for me an affidavit which is not a printed one setting forth the same financial statement as appeared in the affidavit you sent. This affidavit should be made jointly with your husband and should state that you have no further dependents and that since your brother will eventually become your heir that you wish him to be admitted into the United States so that he may receive the education that is necessary for him to take his place in your home and to become an American Citizen.

Your early attention to this will enable me to give further consideration to your brother's plea.

Yours truly.

Mrs. Frank Zlabovsky, Field Executive.

Dear Mrs. Cone

Will you please assist me in getting a birth certificate for Miss Bella Goldberg (Goldenberg), who claims her birthplace in Baltimore, Md., on October 18, 1859. I am inclosing two affidavits which verify her claims.

Miss Goldberg (Goldenberg) at the present time is living in Germany, and due to the unrest in that country we are anxious to furnish her with her birth certificate to enable her to get the protection due her as an American citizen.

We wrote the Court of Vital Statistics in Baltimore, and they stated that their records began in 1875. It is quite possible that some of the older residents of Baltimore will recall the family of Mr. Julius Goldberg (Goldenberg), and his wife Bertha Nordhaus Goldberg (Goldenberg). They lived in Baltimore prior and during the period of the Civil War.

Your early attention to this will be appreciated.

Fraternally,

Dear Mrs. Zlabovsky:

Have been expecting each day to hear from you about your plans for the Project this coming year, up to date have received no letter and as I am sure school has started there wondered what arrangements you had made about Harris.

I have had response from only one of the sections in answer to the form letter I sent out after my return to Longview as to the pro ration for each section. In fact I wrote Tyler three times to please let me know what they intended doing and as yet I received no response. At present we have \$102.95 in the treasury so that should at least see Harris through this year even though Tyler does not contribute its share as heretofore. Feel confident that the other sections will remit as in the past but as usual they are slow, however I have written other letters to try and get some action.

Abbie and her husband are moving to Laredo, we plan on leaving Longview next Thursday the 29th, you should receive this letter early Saturday morning and if you answer this Sunday I should receive it Tuesday and will immediately send you a check for the amount you indicate. Just as soon as we are located will send my new address.

Wishing you and your entire family the very happiest of New Years and hoping that this year will see many of your dreams realized, in which Abbie joins me,

Always sincerely

Sarah Petash
