My dear Mrs. Zlabovsky:

We are referring to you this newly arrived immigrant girl with the request that you visit her and extend such friendly services as may be required. As you know, it is the policy of the Department of Service for Foreign Born to follow up newly arrived immigrants through local Sections of the Council of Jewish Women. Where we have no branch of our organization we have been fortunate enough in enlisting the cooperation of interested agencies or individuals; We feel sure there are a number of friendly services which this new arrival will require particularly with reference to education, citizenship, recreation, etc. We would be grateful if you would establish such contacts in this case either through your organization or with outside agencies.

Will you kindly send us a report after you have visited the above, informing us regarding the present situation and the services you are planning to render. In case you have not been able to locate the above, kindly notify us. Please do not hesitate to call on us for any advice or assistance which you may happen to need in this case.

Sincerely yours,

Cecilia Razovsky
