My dear Mrs. Zlabovsky:

I talked to Mrs. Weinshenk of Chicago about the family whose passport she was holding up and she told me that on that very day she had a letter from the Lithuanian Consul who refused the passport because he did not have information as to the citizenship of the husband. Mrs. Weinshenk promised to write you at once. I told her you were very impatient over the delay. She claims it was not her fault as they had to write to Lithuania to get the information.

With best wishes for your good health and hoping you are having a grand visit with your nice daughter, I am

Dear Mrs. Zlabovsky:

I am just in receipt of a letter from Irene asking for \$10.00 from the Project Fund. I am herewith enclosing same, if possible will try to send the regular amount at the end of the month but will have to see how the finances are when I return to Dallas as I do not have my Project files with me.

The Fair closed yesterday I covered it very thoroughly and enjoyed everything that I saw but I did not attempt to see all the exhibits, as some of them I was uninterested in.

Ruth Goodman is here at present and Monday she and I attended the Fair together, spent a most enjoyable day, she is very good company to be with.

It is cold up here but I do not seem to notice the cold as much as in Texas, one thing the homes are so well heated, when you get out the

bracing air is quite refreshing.

Have met some charming people since I am in Chicago and every one has been most cordial to me which has been a surprise, always thought the people in this part of the country were so cold.

Kindest regards to you and Irene, tell her I am sorry that I do not have time to write here separately but I have too many things to see up here. If there is anything else I can do for you let me hear from you,

Most sincerely

Latie
