Dear Miss Henoch:-

The address of Mrs. J. Calisher is

Mrs. Calisher is heartily in sympathy with the German situation and will be glad to assist when and where possible.

New York City N.Y. Re Richard Sandberg

You receipt of your letter of Sept 16, 1938 I
contacted the Calisher Family. Mrs. Calisher
is reluctant about signing an aff. for
some one she doesn't know but she has
always assisted suffering humanity and
that she will help where & where necessary
You failed to state for what length of time his
visa permits him to stay in the United
States & the status of his German passport
you also failed to state whether this man came
alone or with his family.

Here is my advice in this case. Since
must leave the United States to change his
status have him come to El Paso - see that he
has all necessary documents & have his
passport extended by the German Consul
in New York prior to his departure, if
possible for 4 months. When he arrives
here I will get the necessary affidavit
from either Mrs. Calisher or a friend
and will present his case to the American

Consul in Juarez Mexico checking him out
of the United States until the number is available
for his re-entry. If I find that the man
is not deserving I can have his visitor's visa
extended & he can re-enter the United States with
such a time that he will find another country
that he may enter; but if, on the other hand, he
is deserving we will give him all the aid it is
possible for our small community to extend. -
