Re David Soel.

Dear Sirs;

Replying to your wire with reference to David Soel I wish to inform you that this young man claims he has been married nine years. He has a wife and two sons ages 8 and 7. His wife's birthplace is Madrid, Spain and he claims to have a brother in that city.

They migrated into Mexico and were quite prosperous in Mexico City recently coming to this border destitute and sick. We have given emergency relief by paying their rent and giving them food. Our expenditures to date are \$40.00

We have tried to find work for Mr. Soel but conditions in Juarez are deplorable and in addition the Mexican Labor Law would almost exclude him from securing work.

Will you kindly place this case before Mrs. Leopold Kalish his aunt, and ask her to assist these people until we can find some means for their own support.

Thanking you for your favor,
Yours truly,

Chairman, Service to the Foreign Born

Re: Soel, David

Dear Mrs. Zlabovsky:

In regard to the above named, we again
talked with his aunt Mrs. Kalish.

Mrs. Kalish feels that she cannot help
her nephew very much as she has other relatives depending
upon her for assistance, but she is willing to do all that she
can for him providing his wife is a Jewess.

Mrs. Kalish cannot understand how her
nephew can be married for nine years if he is only 23 or 24
years of age now;

Assuring you of our cooperation,
we are

Yours very truly,

Re; David Soel

Gents; After receiving your wire and taking particular note of Mrs. Kalish's doubt as to her nephew's marriage we investigated the case further and found that the woman and children whom David Soel claimed as his wife and family were not.

When he found himself confronted with his many falsifications he left this border for parts unknown. We do not think that this woman was a Jewess as she spoke nothing but the Mexican language and is masquerading under false colors.

We thank you for your co-operation.

Yours truly,

Mrs. Frank Zlabovsky

Re; David Soel

Dear Sir; Answering yours of the 10th. inst. with reference to the above case we want you to know that he has misrepresented himself to you as he did to us. This gentleman had no commercial connections in Juarez, Mexico. He appealed to us for aid while here claiming he had a wife and two children, claiming his wife was of the Jewish faith and that they married nine years ago in Madrid, Spain.

After giving first aid such as food and paying their rent for two weeks we investigated the case and found that the woman with whom he was living was a Mexican Catholic and that he had only known her for three years. We had in the meantime appealed to his aunt in San Diego, Cal. for ~~assisted~~ assistance which she refused on the grounds that her nephew David Soel was not married and could not very well be the father of a nine year old child when he is only 24.

We therefore refused to give these people further aid and they left Juarez without our knowledge. We did not in any way aid their departure and we do not thing in any way that they are deserving of assistance from any organization.

Yours very truly,

Mrs. Frank Zlabovsky

Estimada Señora:

David Soil dice haber tenido una casa comercial en C. Juárez y encontrarse actualmente en una situación extremadamente pobre. Desea dirigirse a Veracruz con su familia, donde espera obtener empleo en la "Cía. Transatlántica". Dice que Ud. lo conoce bien y que le ha ayudado para su viaje a esta capital y desea que también esta sociedad le ayude con alguna cantidad.

Mucho le agradeceremos nos informe inmediatamente acerca de este cliente, pues a nosotros no nos - causa buena impresión y estamos además muy reducidos de fondos.

En espera de su contestación inmediata, quedo de Ud. atentamente y S.S.
