FIRST NATIONAL BANK SHREVEPORT, LA. June 7, 1939

American Consul Juarez, Mexico

Dear Sir:

The purpose of this letter is to give you some information in regard to Morris Coppersmith of 1522 Anna Street, Shreveport, Louisiana, and his mother, Mrs. R. Coppersmith, of the same address.

Morris Coppersmith is the son of Mrs. R. Coppersmith and each are conducting a separate business.

Morris Coppersmith is in the shoe business and, according to his financial statement, he has a net worth of around \$6,500 which consists of \$1,500 in cash and the balance in merchandise. He always has been able to borrow whatever money he needed from our Bank but in the past year or so he has gotten his business in good financial circumstances and it is unnecessary for him to borrow money.

His Mother, Mrs. R. Coppersmith, who conducts a business for herself, in our opinion is worth in the neighborhood of \$7,500.

These folks are very frugal and enjoy a good reputation in our community. We believe they are in financial circumstances to take on the responsibility of providing for the couple whom they are endeavoring to bring to the United States.

Yours very truly, Vice President

Thanking you.

February Tenth 1941

American Consul Juarez, Mexico

Dear Sir:

Mrs. Rosa Coppersmith and her son Morris Coppersmith advise me that they are trying to get a visa for Basia Goldfinger, her husband Michel Goldfinger, and their daughter Guillermina Goldfinger.

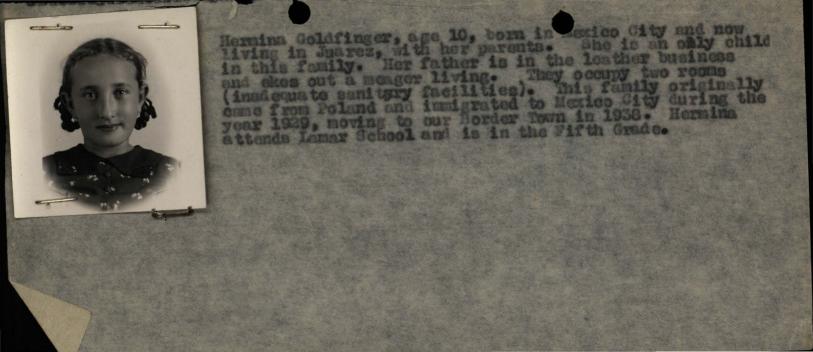

In connection therewith, Mrs. Goldfinger is the daughter of Mrs. Rosa Coppersmith, and a sister to Morris Coppersmith.

These people have been friends and customers of our bank for many years, and are good citizens in our community. They operate a store here and have the financial capacity to take care of the Goldfingers upon their arrival in this country.

If you will grant their request for a visa I am sure they will make this country good citizens.

Yours very truly,

GOLDFINGER, Michel

Back Log (dictated 2-21-41)

Status

Case consists of a Polish born couple, Michel Goldfinger, age 40, his spouse Bisie Pesie, age 40, their Mexican born daughter Hermina, age 12, and an American born infant girl, age two weeks.

Family arrived in Juarez, Mexico in 1937 when they called on the El Paso Section of National Council of Jewish Women for advise with reference to border crossing privileges of their child attending school in El Paso, Texas. The family was one of means--while not wealthy, comfortably situated. They were assisted in the renting of a domicile in Juarez, 712 Membrillo. They secured border crossing priviliges and child was entered in Lamar School in El Paso. During the entire period, up to the time of their application for legal permanent entry into the United States, they were given only advise and moral support. Mrs. G's mother, Mrs. Rosa Kupersmith (Cooper-Schmidt), an American citizen, living at 1522 Amy Street, Shreveport, Louisiana, repeatedly asked assistance in getting these people admitted into the United States legally. In 1939 Mrs. Rosa Kupersmith became very ill and asked for her daughter's attendance at her bedside. Mrs. G. was granted a visitor's visa and after four months she returned to Juarez, Mexico. Again in November, 1940 Mrs. K. became dangerously ill and asked for her daughter and Mrs. G. was again granted a visitor's visa to visit her mother. While in Shreveport, Mrs. G. gave birth to a daughter, in January of that year. She returned to Juarez, Mexico with her children February 6, 1941 and proceedings were initiated to arrange for the documents necessary for application for entry. This family is national Mexican, born in Poland. They were legally admitted on February 18, into the United States. Family was admitted at this Port of Entry and will depart February 25, for their permanent home in Shreveport. In presenting their case, the auditor's report showed they had 40,000 pesos to their credit in the bank and outside collectible of 10,000 pesos. During their stay in Juarez, their monthly income exceeded 200 pesos. Also during that time Hermina underwent an emergency dental operation, and although we paid the bill, the money was refunded to our organization by the family. Affadavits and documentary evidence were sent by the family from Shreveport at our request. These people were in business in Mexico Dity and when they came to us, we found that they were financially able to take care of themselves.

Remarks

In presenting this case, we experienced a difficulty because the American Consul claimed the child was notregistered and refused to accept it. Denials received from the Polish Consul in Mexico City, but they were overruled.
