Miss Cecelia Razovsky,
221 West 57th Street,
New York City, N. Y.

Dear Miss Razovsky:-

Will you please assist in getting the following documents from Russia: Birth certificate for: Brandel Kaminsky, born in Tripoli, Kiev Gub., Russia, 1898. The name of the father is Solomon Kaminsky - the Mother Chana, both of whom live (and are now American citizens) at 408 Seigel Street, Philadelphia, Pa. Also marriage certificate.

She married Nathan Ramros in Kiev, Russia in 1921. Mr. Ramros was an Austrian prisoner of war held in Russia during the World War.

We also need a birth certificate for their child, Peretz Ramros, born in Kiev, Russia, about February 28, 1922. At that time they were living at 24 Yrazlavski Street, Kiev, Russia. He was circumcized by Rabbi Kavalsky from Podol.

Since we are in urgent need of the above documents, and would appreciate your using the airmail service. This case comes to us from Mexico City. He reports conditions against the Jews most tragic. We are therefore anxious to help this family enter the United States. They are people of means and well able to maintain themselves. Mr. Ramros has all other necessary documents and is awaiting the aforementioned documents to present his case.

Thanking you, I am

Yours very truly,

Mrs. Frank Zlabovsky,
Field Executive.

Dear Sir:-

Mr. Nathan Ramros has asked that we assist in getting such documents which enable him to present his case to the American Consul for entry into the United States. I would suggest that you call on our office in your City and have them draw up the necessary affidavits for your signature. I suggest that you also have Isaac Schusman furnish affidavit of support. These affidavits must be accompanied by documentary evidence to support the statements made. The Council of Jewish Women in your City will advise you on this matter.

Please take care of this at your earliest convenience. Any further information desired, will be pleased to send.

Thanking you for your prompt attention,

I am

Yours very truly,

Mrs. Frank Zlabovsky,
