Re: Necha Gorszka

My dear Mrs. Zlabovsky:

Will you please let us know by return air mail what is to be done in a case of this kind. A young girl of 17 lived in Mexico for several years. Her name is Necha Gorszka. She had a sweetheart there whom she married according to the Jewish ceremony. This, of course, is not recognized by our government so that she is not married. Her father here is an American citizen and she came to this country some months ago, in the non-quota preference as the 17-year old daughter of an American citizen. After she had been here some time her baby was born. She is now anxious to go back to Mexico to live with her husband, as she regards him.

Since it would be difficult to prove legal marriage, and since Mexico is so strict about letting people in now, we are wondering if it would be advisable for her to go down to El Paso, and for her husband to come up to Juarez, and there a real marriage could be arranged between the two which would be legal and which would legitimatize the baby. The girl would have with her documents from her parents, sworn to before the Mexican Consul, giving their consent to her marriage to this man.

I am not writing the full story to you because I am anxious to get your reply to this question I now raise. Will you let us hear from you by return mail?

With many thanks, I am

Sincerely yours,

*Cecilia Razovsky*

P.S. What other documents should the girl bring with her if she may come. She will have to wait four years before she can bring her husband to this country. It is better for the young couple to be reunited.

May 2nd, 1931.

My Dear Miss Razovsky:-

Re: Necha Gorazka.

Replying to your airmail letter of the 29th ult., will state that if the Young Man will come to Juarez, Mexico, and if the Girl will come to El Paso, Texas, I see no reason why a legal marriage cannot take place in Juarez, shortly after their arrival.

The girl must have documents proving herself a naturalized American Citizen, her identification card which she received upon her entry into the United States, the baby's birth certificate, and if possible the Passport on which she originally entered Mexico, also sufficient money for her maintainance until she joins her husband.

If you will notify us when to expect her, we will be glad to meet her at the station and take care of her and her baby. You will also notify the young man to telephone me immediatly upon his arrival in Juarez, Mexico.

Will be interested in getting further particulars of this case for our files.

Yours very truly,

CHAIRMAN.

I want to thank you for your prompt reply to our letter regarding this girl. Can we be certain that the girl will be admitted to Mexico after she marries her husband or will there be any difficulty? We will advise you just as soon as more definite plans are made regarding this case.

Re: Misha Borazka

Dear Miss Rozovsky: I am now in El Paso and saw take care of the case of the above. You have at no time informed me as to the whereabouts of the young man. Will you kindly communicate with him and see that he reaches Juarez at about the same time that the girl reaches El Paso, so that the marriage can take place immediately upon their arrival.

Please see that the young lady has all the documents in her possession that I have enumerated in my various letters.

Re: Necha Gorszka

My dear Mrs. Zlabovsky:

Thank you very much for writing us that you are back in El Paso and ready to handle the Necha Gorszka case. At the present time no plans are being made. It is possible that the young man who is living in Mexico City may decide to go back to Poland. Furthermore, the family is very hardpressed for money.

Therefore, until we have more definite information we shall not make any plans about sending the girl to El Paso with her baby. You will hear from us, however, as soon as we know just what will be done.

Sincerely yours,

Cecilia Razovsky
