Mr. H. H. Capin

Nogales, Arizona

Dear Mr. Capin:

I am writing to you with reference to Mr. Joaquín Ernesto Kuntz, of Mexico City, who represents the "Mexico Watch Company." He has asked for a Transit Visa to enable him to travel through the United States to Border Towns.

Under the present Immigration Law, he must make application to Washington for such permission, and is required to present two character letters from American Citizens. These letters must be written in triplicate. Mr. Kuntz tells me that you and your brothers know him quite well, and am therefore appealing to you to furnish him with such a letter, also if your brother Jake or one of your brothers-in-law can write a similar letter for him, it will help him in securing the necessary visa.

Thanking you for your early attention, and with kindest personal regards to you and Clarice, I am

Most Sincerely,

Dear Mr. Capin:

Thank you very kindly for your prompt response to my letter of the 27th, and for the letter.

I regret that I was not specific when making request for the character letter in asking you to declare your American Citizenship. Therefore it is necessary that I return the letter to you, and would appreciate it if you would state that you are a Citizen of the United States. The wording of the letter is perfect, and if you will merely add another paragraph regarding your citizenship, I would also suggest that you use your business stationery, if possible. Could you also secure a similar letter from another member of your family, who knows Mr. Kuntz? He must have two letters from American Citizens, and he does not seem to know many American Citizens, most of his acquaintance being among the Mexican Citizenry.

Assuring you of my appreciation, and with kindest regards, I am

Sincerely,

Mrs. F. Zlabovsky

In re: Joaquin Ernesto Kuntz

Dear Mrs. Zlabovsky:

We are pleased to acknowledge receipt of your letter of June 25th, forwarding documents in behalf of the above-named of Mexico City.

It appears that Mr. Kuntz desires to obtain a transit visa to enable him to proceed to the United States on more than one occasion. It would appear to us that he should obtain a border crossing card either from the immigration officials at El Paso, Texas or the American Consul in Mexico.

We should like to hear from you on this point before submitting the documents to the Department of State. His Roumanian birth brings him within the classification of an enemy alien. This, as you intimated, will not benefit his case very much.

Very truly yours,

Dear Mr. Hirsbfled:

Acknowledging receipt of your letter of July 8th, I wish to state that prior to July 1, 1941, the Border Crossing privileges and Transit Visas were granted by the Department of Immigration at this Border, without the necessity of appealing to Washington.

In this case the Department of Immigration found it necessary to get the decision of the Department of Justice, and that department granted the transit on $500 bond during the year of 1940.

The present regulations are that anybody born abroad though a Mexican Citizen, must file Form B & C for any crossing privilege. With the Department of State's approval, the American Consul will not grant the necessary transit visa.

I will appreciate your filing the documents and assisting me in securing the Transit Visa.

Thanking you, I am

Dear Mr. Capin:

I am enclosing the original letter from the HIAS in which they request letters to the Department of State, which is self explanatory.

The letter should be addressed to the Department of State in duplicate, authorizing the HIAS to appear in behalf of Mr. Kuntz, at the time of the hearing, in this case.

If you will be kind enough to write these letters and send them to me with any information you can furnish on Form WOF-S #1A, attached, I will then be in position to forward them to the HIAS and State Department. I would also appreciate duplicate letters from your brother Ben Capin, as requested.

Please return the original letter from the HIAS, as soon as you have complied with its contents.

Thanking you, I am

Dear Mr. Kuntz:

This is to advise you that the Department of State declined your application for Transit Visa. However, an appeal on the case has been granted, and I have therefore written to the HIAS to represent you at the hearing, which will take place within thirty days.

I have today written to both H. M. and Ben Capin, asking them for authorization letters to the HIAS as requested by the Organization. Upon receipt of these letters, the HIAS will be empowered to properly handle your application.

It will be necessary that the HIAS should receive some compensation, since they operate on contributions, as per the enclosed application.

You may write to me at Mr. Robinson, Juarez, Mexico. It will expedite matters.

Thanking you for your prompt response, I am

Dear Mr. Capin:

On October 7th I wrote you regarding request from the HIAS in the case of Mr. Kuntz, and also inclosed forms to be filled in for the State Department, but up to the present time have not heard from you.

Cases like Mr. Kuntz's are allowed 30 days for a hearing, and unless the HIAS can place their appeal during that time, the case will be lost. I am therefore appealing to you to furnish the letters from yourself and brother giving the HIAS authority to appear in behalf of Mr. Kuntz. I am sending you a copy of the form I used in giving the HIAS my authorization, and you may copy it if you so desire.

Dear Mr. Capin:

I wish to thank you for your prompt response in sending the necessary letters for the Hias to represent Mr. Kuntz at the hearing.

However, before I can submit the letters to Washington, it will be necessary for me to have the Form No. WOH-S FLA, with which whatever information you can furnish on that. This form was sent you with original request for authorization letters on October 7th. No doubt you have it in your office, and I will appreciate your returning it promptly so that there is no further delay in Mr. Kuntz's case.

We shall at that time present and argue the matter to the best of our ability, requesting and urging that an advisory recommendation be made. Dear Mr. Spiegler:  

Mr. Kuntz has again appealed to us with reference to his application for a transit visa. About six months ago he changed positions and residence and is now living in Guadalajara, Jalisco, Mexico. He is now a commission merchant and is eager to secure Border Crossing privileges in order to buy merchandise in the United States.

If you will refer to your file, you will find where he was refused his application for trip transit visa some time ago.

Will you please advise me what can be done to reopen the case?

It has been called to my attention that a Mr. Hugo Blum of Guadalajara, Mexico, had a similar case, and after a refusal on appeal, the American Consul in Jalisco succeeded in securing favorable recognition in this case. Since the cases are so similar, it has been a puzzle to me why Mr. Kuntz was refused on appeal.

Thanking you for your assistance, I am

Yours very truly,
