My dear Mrs. Zlabovsky:

Second Vice-President
MRS. FRED BERNSTEIN

The foregoing called at our office with his brother some time ago and stated that he had tried to enter Canada on December 29th but had been refused. He gave us the following story:

Third Vice-President
Mrs. Rebecca Willner Liss

Mr. Alexander Grosz came to the United States as a visitor and wanted to change his status. He sent all of his documents to the American Consul in Windsor. The Consul had replied indicating that the documents and evidence submitted appeared to be satisfactory, and suggested that Mr. Grosz appear personally for an examination. The Consul further stated that his allotment of Hungarian Quota numbers was limited to two a month, up and including April of 1938, therefore making it impossible for him to determine whether there would be a number available when Mr. Grosz appeared.

Treasurer
MRS. SAM HERMAN

Mr. Grosz tried to cross the border at Detroit and was rejected. He then took the matter up with the Canadian immigration authorities at Ottawa, but received the usual letter stating that he could not be admitted to Canada for the purpose of visiting an American Consul. Subsequent to this communication, Mr. Grosz wrote to the Consul in Havana, Cuba. He sent a copy of the letter he had received from the Consul in Windsor, and also asked the Consul in Cuba if he would be able to get a visa there.

Recording Secretary
MRS. WILLIAM H. SAHUD

The Consul approved the documents but advised that no number would be available until July of 1939.

Corresponding Secretary
MRS. BENJAMIN BRAUDE

Will you please see the Consul in Juarez and let us know whether any Hungarian numbers are available in that office. Please wire reply our expense.

Financial Secretary
MRS. LOUIS ROSENBLUTH

Sincerely yours
