Dear Madam Chairman:

The name of this newly arrived immigrant is sent you with the request that you or your Committee make a prompt and friendly call. As you know, it is the policy of our Organization to follow up all new arrivals through the local Sections of the Council of Jewish Women.

There are a number of friendly services which you will be able to render, helping to solve questions of education, citizenship, recreation, etc. by either rendering direct assistance or by establishing the necessary contacts with outside agencies.

We know that this newcomer will welcome your interest, since she already has come under the friendly care of our organization upon her arrival in this country. Great effort should be made to visit the immigrant at once; otherwise it may not be possible to locate her at the original address given.

Will you kindly send us a report after you have visited the above, informing us regarding the present situation and the services you are planning to render. In case you have not been able to locate this immigrant kindly notify us. In reporting to us will you kindly let us know how long the immigrant had to wait until she received her Visa from the American Consul and how many visits she made to the Consulate.
