Dear Miss Razovsky:-

Mr. Hans Rosen (Rosenfeld) #113, San Antonio Abad, Mexico City has asked the organization to assist his brother who is at the present time in Vienna Austria, to enter the United States. The case is as follows:

Dr. Ernest Rosenfeld, known in the music world as Dr. Ernest Romer, age 44, address IX Bezirk, Fuchstalgasse, #1 Vienna, Austria. He has a wife and child.

Some years ago Dr. Romer entered the United States as Opera Director for the Schubert Company in New York for one year. Besides being a recognized Doctor of Music, he is also a Doctor of Philosophy. He has no living relatives in the United States, but his brother in Mexico City is in a financial position to help his family if and when necessary.

I would appreciate greatly your assistance in bringing this family into the United States and will await your instructions with reference to this matter.

Thanking you I am,

Yours sincerely,

Re: Dr. Ernest Rosenfeld
or Dr. Ernest Romer

Dear Mrs. Zlabovsky:-

In answer to your letter regarding Dr. Ernest Rosenfeld, or Dr. Ernest Romer, age 44, who lives in Vienna and wishes to come to the United States, I should say the only way in which he can do that is if his brother in Mexico City will deposit a large sum of money to his credit here in the United States, and then will send affidavits to the Consul guaranteeing that he will support the family until such time as the brother is self-supporting.

What do you think of my suggestion that Dr. Ernest Rosenfeld go to Cuba and let his brother, Hans Rosen, from Mexico City meet him there and go to the American Consul and see if he can get him a visa for the States.

There is nothing we can do from here, as he must have affidavits of support, as you know, or a large bank account before the American Consul in Vienna will grant him a visa.

Very sincerely yours,

Cecilia Razovsky

Dear Mr. Rosen:-

Upon taking the matter of your brother's case, with the New York Office, I find that securing affidavits from friends is impossible. Since it is his desire to leave Austria, I would suggest that he visit his brother in Switzerland and from there secure a Visitor's visa to the United States. He can then visit you in Mexico.

Please let me know what your correspondence with him has been since our last conversation. I would rather discuss the case with you in person when next you come to El Paso.

Awaiting your reply, I am

Yours very truly,
