Dear Madam:

Have written to my brother-in-law Mr. Boris Lipman on several occasions to which I have not received any reply.

I cannot understand what has become of him, and would thank you to let me have any information you can get regarding Mr. Boris Lipman. Perhaps you can get in touch with him some way or other?

Have also sent him affidavits about three months ago.

Thanking you for your prompt reply, I remain

Dear Mrs. Glahovsky;

I received your letter
of the 23rd of the present month
and thank you very much
for your advice. When
I was in Mexico City I
went to the Immigration
Dept. to see about my pass-
port but lately they sent
it to me from the Secretary
of Exterior Relations and
without any nationality
and the corrañance that
I received from the Polish
Consul, which I will
send to you with my

letter. Here in Chihuahua the American Consul didn't accept this passport for the reason that my passport is of no nationality. I am going to try to get an affidavit from a notary public, which I think impossible and then I will write to Mr. Sidore Hirschfield.

I will wait for your answer and hope you will answer the sooner possible and send me the papers.

Permit me to tell you that without the Consulate they didn't give me a passport, because here in Mexico

there is a representative of the of Poland.

Thanking you very much.

Yours truly,

B. Lipman

Dear madam:

Through my present letter permit me to greet you, hoping that you are all-right. also to let you know of the bad news according my business, or of going to the U.S.

There was no result in my trying to get a pasaport from the Poland council, for the cause that I passed many years away from there.

I did all that was possible, I personally went to Mexico to see the Poland council. I have spent plenty money in order to get my pass. but had bad luck, the American council would not accept my citizenship, by any means, because I have lived in Russia; and for that reason I can only have my Russian pass.

Dear madam I am sorry that the number of my quote was sent back to Poland.

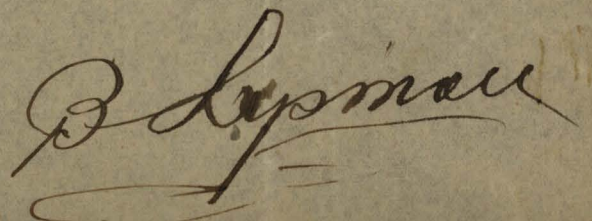

The pasaport that I received from the French council was not accepted either. I think that I shall not have enough, for I have spent so much for nothing, and I ask you the favor to continue helping me.

Mr Levin has arrived just lately from Juarez, and said that he spoke to you about my business, and he also said that you had another way of helping me enter the U.S. It is just of you to do me the favor of helping me.

Thanking you for your kindness

I remain,

Respectfully yours

Dear Mr. Lipman;

I cannot understand why you should have taken the trouble to send me this passport. when I instructed you to get in communication with Mr. Hirschfield at once. But since you have the paseport I want you to enclose this passport to Mr. Hirschfield and ask him in a postscript on the letter that I sent you if this pass port can help your cause. Let me hear from you as soon as you hear from Hirschfield.

Yours truly,

Mrs. Frank Zlabovsky Field Executive.

Dear Sir;

Your brother Boris Lipman has appealed to us to assist him to get a quota number for permanent entry into the U.S. With your assistance we may be able to present his case to the American Consul in Chihuahua. Will you please send us an affidavit of support at your earliest convenience. Mr. Lipman also mentioned a relative S.A. Mer Merson. If you can get said Mr. Merson to also give an affidavit it will help the case as we must have not less than two affidavits.

Yours truly,

Mrs. Frank Zlabovsky, Field Executive

Dear Mr. Hirschfield;

I have been advised by Mrs. Frank Zlabovsky of El Paso, Texas to cite my case to you. Several months ago I appealed to the American Consul in Chihuahua to secure for me a quota number and grant me a vise to enter the U.S. My family who live in N.Y. sent me affidavits guaranteeing the U.S. Govt. against my ever becoming a public charge. The American Consul secured the number for me but I had no passport from the Country of my birth. I was born in Poland but lived for many years in Russia and when I found it necessary to leave Russia I was forced to get a departure passport from the Russian Govt. This passport was stolen from me in a hold up my wallet with other valuables was also lost at the time.

The American Consul demanding a passport I went to the French Consul in Chihuahua who granted me a passport but which was not recognized by the American Consul because the said French Consul is not an authorized representative of the Polish Govt. I then took a trip to Mexico City and appealed to the Polish Consul there, and he refused to grant me a passport on the grounds that I was not a registered Polish subject. As a ~~result~~- result the American Consul returned my number promising however, that upon receipt of a passport he will call for another number for me.

I am sending you my birth certificate and an affidavit proving my Polish birth also pictures and I am willing to pay for a passport if there is some possible chance of my getting one. I have been living for six years in Mexico and wonder if there is not some law in the U.S. which would waive a passport in my case. Your early reply will be greatly appreciated.

Dear Sir:-

I found your letter awaiting me upon my return home on February 21st. I regret that I can find no record of your case on my books, nor do I find a record of having received the money you claim.

Will you please give me more definite details about the money transaction in particular, and about your wishing to enter the United States. You may also send the addresses of your brothers in New York, and any other documents for me to examine, and I will be glad to assist you to the best of my ability.

There is always some expense attached to transactions of this kind, such as securing affidavits, and Notary signatures, which you may pay after our next communication.
