Dear Mr., Safdie:

While in Juarez Mexico I met your brother and he has appealed to me to assist him in getting a quota number. so that he may legally admitted into the U.S. You no doubt realize that it requires a good dela of effort to get such an entry at this time and I will require your and your parents assistance in this matter If you wish me to work in this youngs man's behalf kindly let me know by return mail and I will then let you kn w what papers are required.

Dear Mr. Hirschfield;

Will you kindly inform me what chance you have in getting either
Turkish
an Assyrian or a Polish quota number at this time. May I also ask if the Dept. of
State has the last word in the possible issuance of quota numbers, or if the Consuls
in the different foreign countries are invested with full power.

Yours truly,

Dear Mrs. Frank Zlabovsky:

I wrote you sometime ago, about my son Jack Safdie, for you to help us in his case, and we explained that when our son Abe will be in New York we'll let you know. We are now ready and would like you to start working on his case immediately, and whatever requirements should be made please let us know, by return mail. Sorry to have waited this long, but hope you will bear with us.

Yours truly,

EZRA SAFDIE

Mr. Ezra Safdie;
2002 66th Street
Brooklyn N.Y.

Dear Mr. Safdie;

Replying to your letter of Feb. 5th. with reference to your son Jack I would advise you to have affidavits of support from three relatives, who are American Citizens. You will state that your son is of ~~Libyan~~ Syrian Birth. I would also advise that you get your Congressman Mr. Dickstein to write a letter to the American Consul in Juarez Mexico. to give your son recognition when he applies for entry into the U.S.

When your son Abe, is in Washington it would be advisable for him to get in touch with the Dept. of Labor and ask their consideration for your sons entry. As soon as the affidavits are received at this end of the line and also, a letter of credit to the sum of about \$2000.00 your son will immediately apply to the American Consul in Juarez and we can start working from this end of the line and you and your son Abe will assist from Washington.

Yours truly,
