TEXAS WESTERN COLLEGE

EL PASO, TEXAS

TO DR. W.H. TIMMONS...

--- We proudly dedicate the 1963 Flowsheet. A friend to his students and highly regarded by his fellow professors, Dr. Timmons became a hard-working member of the faculty at the college upon his arrival in 1949. Dr. Timmons received his Ph.D in history from the University of Texas, where he wrote his dissertation on Jose Maria Morelos, called "the greatest leader of the movement for Mexican independence" from Spain. From this dissertation has come a new book of significance in Mexican History—a biography entitled **Morelos—Priest, Soldier, Statesman of Mexico**. From his early research into the life of the Mexican leader, Dr. Timmons became convinced that too little was known about the great leader, so he determined to help bring him more forcefully to the attention of Americans. His book has done so. For his teaching, for his friendship to students, for his hard work to advance the interests of this college, we salute him and to him we dedicate this yearbook.

Dr. S. D. Myres, Mr. Carl Hertzog, and Dr. Timmons survey the frontispiece of Dr. Timmons' new book on Jose Morelos.

...TO FETCH A

"If you think I'm going to paint any mountain, you are out of your mind!"

"I always thought Freshmen now I know what it is!"

"And just WHAT did you have in mind?"

PAIL OF WHITEWASH

had a purpose on campus,

"AT LEAST he kept his beanie clean!"

"Shotguns are for weddings. . .not FRESHMEN!"

Chow line? I'm sorry, but this is for Modern Dance tryouts!

FRESHMEN FEED THEIR FACES

Didn't your mother ever teach you to wash

What'd you expect—FILET

COUNT BASIE

"...and from here we go to the University of Mississippi"

"...and this one's for Jimmy Meredith, it's called 'you'll never walk alone'."

Well, regimentation's here again.

...and this little piggy went to market. . .

Go directly to jail—don't pass go, don't collect \$200.

Let's see your driver's license, birth certificate, last year's registration receipt. . .

"She just THINKS she's going to have a good time!"

"Talk about a 'mob scene. . .!"

SONS AND DAUGHTERS

"The U. N. meets again!"

"Well you see, it wasn't really a RAID! . . ."

"She didn't shave her legs!"

"I was told to rush everybody."

OF ATHENS

"Did you hear about the traveling salesman who. . ."

In order to raise money for their annual Milk Fund, the APO's evidently invited several guest speakers from the peace corps.

What a welcome!

and in this modern age, too . . .

PEACE CORPS AND

These dedicated professors donated their time and energy to the instruction of the Colombia-bound Peace Corps.

The educated adventurers—a name earned by the men and women preparing to teach in Colombian Universities.

PROGRESS COMES TO TWC

Progress at TWC...

... with new dormitories being built for men and women.

Playing handsies, fellas?

"Dig that chick four rows up. . . .!"

Camera hogs!!

"BASKETBALL"

Last time I did this I got my hand caught . . . took almost 15 minutes to get me down!

"For the last time, NO! You can't play with my ball!"

"Go down four blocks, turn right, and 'Pepe's' is right across the street. . . ."

FLAWSHEET BEAUTY FINALS

What! Me worry . . .

There were 33% less cavities in my group

Could it be the best dressed eds?

Only winners could smile like this.

Twelve of Texas Western's most beautiful girls.

... in all their glory—

BEST DRESSED EDS

26 Well, I was going to do some tumbling—

There's more than one reason for dressing neat.

PARKING...

Down in the valley . . .

. . . and hanging on cliffs

but never in a parking lot on this campus.

Tasty! But, uh, do you happen to have a bufferin?

COLLEGE PLAYERS

Even my best friend told me!

And then — you pick up the jacks like this and . . .

I'll explain just one more time . . .

Ohh! That was a low blow!

Here she comes—Miss America?

MARCHING CAVALCADE

The band performs another of its excellent half-time shows.

CHEERLEADERS

Our perky yell-leaders give a big smile for the camera.

Oscar Brown proves to be an exceptional ambassador of the show business world by sparing time to talk with one of T.W.C.'s students.

Mr. Brown makes last minute checks of his program selections.

Is everybody at the Snow Fiesta?

ON CAMPUS

"Come on now. I said *eat* it."

You say it's cold outside?

"They're all hidden, so act innocent."

PHI BETA CHI

College literature?

"About those cokes"

Phi Beta Chi, TWC's newest sorority, was founded in October, 1962. Their colors are green and gold, their flower is the talisman rose, and the pin is a golden sword. Since then they have acquired a house on Randolph Street. The Phi Beta Chi's stress informality.

I take the beard off when I go off duty.

CAMPUS POLICE

Let's see . . . 30 tickets last semester and only 21 this semester. What happened?

Ha! Soon there won't be any more students driving on campus.

I'll call it a day. I only gave 17 tickets today. Too bad.

SNOW FIESTA

These eager students are ready to board the bus to the annual Snow Fiesta in Cloudcroft for fun, frolic, and snow ball fights.

Sledding is a new experience for these El Pasoans, but they seem to be doing quite well.

Snow Fiesta Chairman Marilyn Geyer registers these snow-bound visitors for competitive activities.

Relaxing and singing folk songs after an exhausting yet exhilarating day in the snow is the perfect way to spend the late afternoon.

The dance in the Cloudcroft Lodge following the day's activities is the most participated-in event.

The 1963 Snow Fiesta was climaxed by the selection of Christy Upshaw as Snow Queen. Escort John Rudisill demonstrates his pride in her.

DR. BERKMAN RETIRES

Dr. A. H. Berkman, Dean of Arts and Sciences since 1959, announced this Spring that he was retiring, and Dr. Ray Small was to assume the responsibilities of this title. Dr. Berkman will continue serving the college as a full professor in the department of Biological Sciences.

Dr. Berkman looks over some books in his office before relinquishing his position to Dr. Small.

Dr. Ray Small, who has been serving as assistant to President J.M. Ray, will take over his new duties as Dean of Arts and Sciences in June. He came to Texas Western College just two years ago from Amarillo College where he had been since 1946. Dr. Small is also a professor of English.

THE UNIVERSITY OF TEXAS

BOARD OF REGENTS

Seated at the head of the table facing the camera: Thornton Hardie of El Paso, chairman; from left to right: Walter P. Brenan of San Antonio, Wales H. Madden, Jr. of Amarillo, A. G. McNeese, Jr. of Houston, John S. Redditt of Lufkin, Chairman Hardie, Dr. H. Frank Connally, Jr. of Waco, W. W. Heath, vice-chairman, of Austin, French M. Robertson of Abilene, and J. P. Bryan of Freeport.

These are the men who direct the destinies of the University of Texas system. They are members of the Board of Regents.

The government of the University of Texas system is by law vested in a Board of Regents composed of nine members appointed by the Governor of Texas, with the approval of the Senate, for staggered terms of six years each, the terms of three members expiring on odd-numbered years.

Regular meetings of the Board are held customarily every two months, usually in Austin.

The Board presides over all matters relating to the policies governing the University of Texas and its component institutions.

Dear Miss Manzo:

I'd like to take this opportunity to thank you for affording me the opportunity of selecting the winners of the Annual's Flowsheet Beauty Contest.

It was a pleasure to judge this contest, although a difficult assignment as each contestant is so lovely. However, as you had indicated, I have numbered the winners by number on the back of their individual photographs.

Please extend my best wishes to all of the contestants for much success in all their future endeavors.

FACULTY

Dr. Joseph M. Ray is the sixth president of Texas Western College. He came to TWC in September, 1960, from Amarillo (Texas) College where he had been president since 1957. Dr. Ray holds three degrees from the University of Texas: Bachelor of Arts, 1932 (with highest honors, Phi Beta Kappa); Master of Arts, 1933, Doctor of Philosophy, 1937. His major field was government, and his minors were in economics and history.

Office of the President

Texas Western College

OF THE UNIVERSITY OF TEXAS

October 4, 1962

at El Paso

Congratulations to the editors of Flowsheet on a splendid Annual. I think it measures up in every way to the distinguished Flowsheets which have preceded it in the past.

Down through the years you will refer to this Flowsheet to remind you that this was a distinctive year in your life. You will not remember it as the school year of 1962-1963 quite so much as you will remember that it was a given year in your academic career, either freshman, sophomore, junior, senior or graduate. This Annual will be an enduring record of your experiences and associations during this memorable year. Many of the friendships you formed during the year will fade with the passage of time, but the Flowsheet will be ever-present with you as a continuing reminder of the rich experiences you enjoyed.

No institution like Texas Western College can attain the respect and prestige which the College now enjoys if it were not for the continually growing numbers of former students who came to love it, and in whose memories it lingers. Treasure this annual as a reminder of our College.

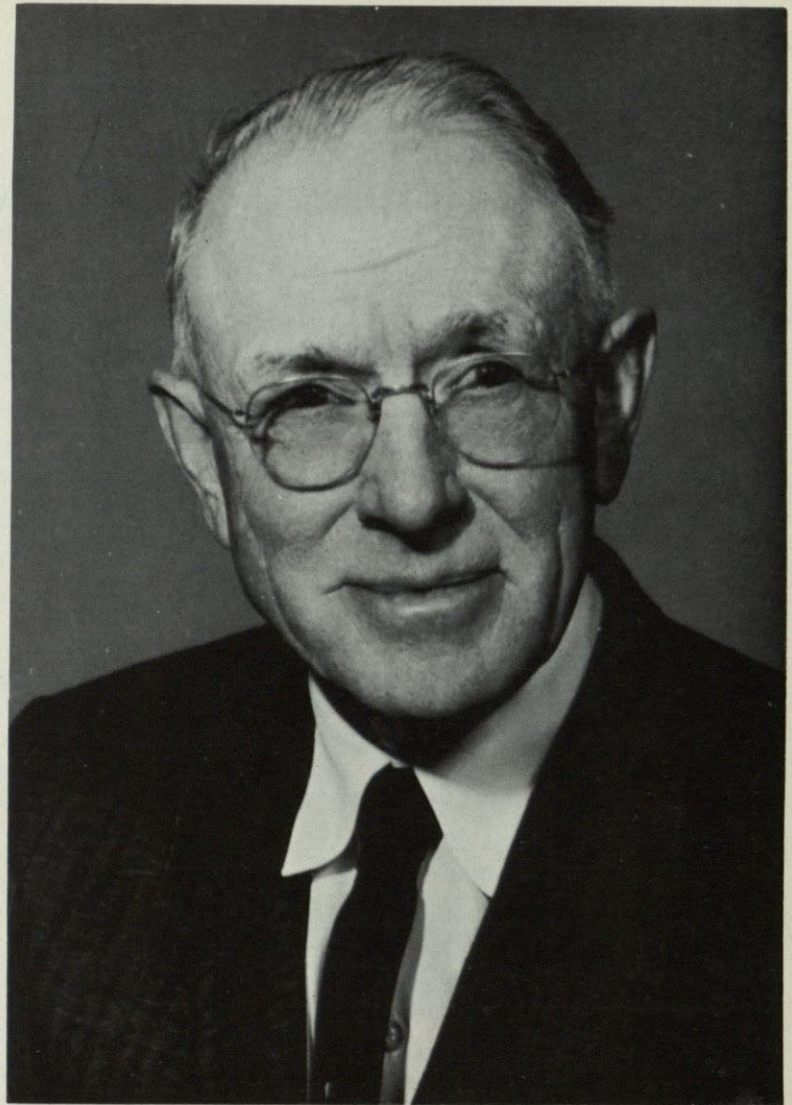

We have just completed a fine year at Texas Western College. We are accomplishing many things, and we hope that our progress with your good help will continue.

Sincerely,

Joseph M. Ray
Joseph M. Ray

STAFF SHOTS

Staff members like assistant editor Kit Detwiler and Nancy Ekdall always read the Flowsheet, the whole Flowsheet and nothing but the Flowsheet.

Carol Allen and Terry Ann Hill don't seem too sure these pictures are just what the editor ordered.

Staff photographer Ted Maciag doesn't trust that strange object taking his picture.

Maggie Wiswell is studying something very carefully, but daisies won't tell what it is.

Whatever the photographer is doing, Gail Huber and Thelma Levine seem to think it's funny, but Eileen Morgan has reserved judgement until she's sure.

The 1962-63 cheerleaders were the main source of spirit this year. They saw the football team, with its new coach, through a successful season and cheered the basketball team, one of the finest in the country. These enthusiastic girls brought pep rallies to the campus for the first time, and they appeared on television several times for the purpose of promoting school spirit. Their support of all school activities was noticed by their peppy, new uniforms seen at nearly every function. From left to right, top row: Carole Jenness, Dianne Irvin, Sandi Van Brunt. Arizona's attempt to divert our ball proved to be unsuccessful and we kept the ball.

Bobby Leslie

Willie Brown's superior jumping ability illustrates why we had such a winning season.

Texas Western's offense sees this ball into the basket for another two points.

Fancy footwork is one of the keynotes to our continuous victories.

of THE UNIVERSITY OF TEXAS

DEPARTMENT OF JOURNALISM
AND RADIO-TELEVISION

at El Paso

April 24, 1963

It is with great pleasure and some apprehension that I present the 1963 Flowsheet to you, the students and faculty of Texas Western College. I sincerely hope the months spent by the yearbook staff have resulted in a book which will always bring pleasurable memories to each of you.

Many people contributed to this book who will receive no recognition. Yet without their assistance this book would never have gone to press. Therefore, I would like to extend my heartiest thanks to a few of them.

To Mr. John Middagh, advisor to the Flowsheet, for his support throughout the year.

To Mr. Frank Goss and Henington Publishing Company for their patience and advice.

To Mr. Steele Jones and Mr. James Whitlaw for their assistance in obtaining faculty pictures.

To Mr. Eddie Mullins for sports pictures; to Sgt. Swidelsky for ROTC pictures.

To Ed Flynn, Jim Bacon, Jeff Berry, and Bob Baker for special photographs; to Ted Maciag for the bulk of the photographic work.

And to many others who went out of their way to assist me this year.

Finally, a special note of thanks to Kit Detwiler, Maggi Wiswell, and the entire staff for not only producing an annual, but for putting up with me.

Charles O'Reilly
