Dear Mistress Zlabovsky:

Of course I am glad to do anything possible for peoples of my condition which desires to immigrate into this country and specially for those in which cases you are interested. Therefore and since I received your esteemed letter of the 31st. august I visited Lic. Arce at least 5 times.

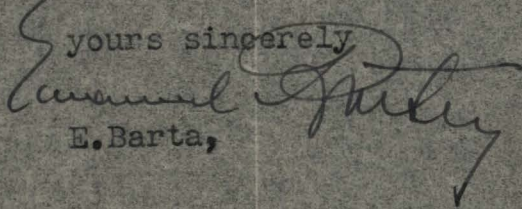

I made the necessary steps as acting in the name of Mr. Harmelin, trying to get back at least a part of the made payment and to hear at the same time if the lawyer had any intentions to collect the remaining Dls. 66.00. Lic. Arce stated that he worked on this case firmly and that same was practically finished, reason for which he is disposed to claim from you the remaining amount.

Referring now to my letter of the 28th. august in which I stated that there was somebody able to arrange the whole -matter and finally in 24 hours, I was referring to Mr. Eich Joseph. He first did not wanted you to know his name, but I talked him afterwards of your letter of august 31st. which I did not show him, and explained him that I had to let you know the name of the Gentleman referred to in my letter of august 28th. in order to avoid any misunderstanding, as I am interested in arranging the things concerning my brothers but I do not intend to interfere in any money affairs. Mr. Joseph states now that he has in his hands the immigration paper of Mr. Harmelin but that he does not intend to deliver them but against payment of Dls. 100.00. ¿ A nice affair?

Poor Mr. Harmelin is sitting in El Paso and two lawyers are maing difficulties, each of them in order to receive the Dls. 100.00.

I am as stated several times, at your entire order in this matter and swait your instructions, and remain meantime

yours sincerely

E. Barta,
