Case FT-233096

Mrs. Frank Zlabovsky
National Council of Jewish Women
El Paso, Texas

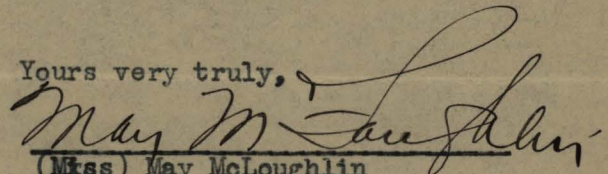

Dear Mrs. Zlabovsky:

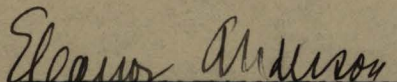

We wish to thank you for your very complete report received in your telegram of October 27, 1936. The one thing that you neglected, however, to give us was the mother's correct address in Bakersfield. We would appreciate receiving that as soon as convenient for you to send it. Louis gave us the address of a maternal aunt, whose name, he stated, he did not know, but who was living at 231 - 21st Street, Bakersfield. In all likelihood this is his own mother's residence.

We would also like if you could possibly verify the boy's age. He told us he was born June 5, 1921. If this is true we can secure transportation for him through the County Welfare Department.

Appreciating your interest and awaiting your reply.

Yours very truly,

Dear Miss McLoughlin:-

Re: Mendoza - Case FT-233096.

Replying to your letter of the 2nd inst., with reference to the above case, wish to advise you that the address 231 21st Street, Bakersfield, California is the one given to me by the sister, *as that of her mother* and the boy's age is correct. I examined the birth certificate which was issued by the Board of Health in Bakersfield, California, which gives his birth as that of June 5th, 1921.

It seems such a waste of good money to secure transportation for that boy. He has travelled back and forth to California at least a dozen times in the past four years. The sister and uncle in Juarez, Mexico would rather not have him back here because they feel the disgrace of his having been in the School of Correction in Texas, and the El Paso community will surely send him back to California if he comes here, now that we have his record.

I will be glad to furnish you with any further information.

Yours very truly,

Mrs. Frank Zlabovsky,
Field Executive.
