Dr. & Mrs. Auerbach,
Hotel Monterey,
Chicago, Illinois.

Dear Dr. & Mrs. Auerbach:-

Recalling a conversation that you would assist me in matters of German Refugees, I am taking the liberty of asking your consideration in the case of Franz Dannenbaum, Hamburg, Germany.

The young man is a nephew of Mrs. Edwin Wisbrun of this city, and she has sent the necessary papers for application for his entry in the United States. The enclosed document will introduce to you the young man's educational background, and I would ask if you could assist this boy in establishing himself in Chicago since that City has a broader field for his work than he will find out West.

Any assistance you can render this young man upon his arrival in the United States, will be greatly appreciated by both Mrs. Wisbrun and myself.

With kindest regards, I am

Most sincerely,

Augusta Mayerson

Franz Wolfgang Dannenbaum

I am enclosing herewith two copies of the affidavit from Max Dannenbaum in behalf of his nephew, Franz Wolfgang Dannenbaum.

The delay was caused because there were a few discrepancies which were omitted in the first affidavit and had to be incorporated. I believe that these affidavits are now satisfactory.

John G. Erhardt, Esquire,
American Consull General,
Hamburg, Germany.

Dear Sir:-

My wife and myself are eager to have our nephew,
Franz Wolfgang Dannenbaum, who now resides in Hamburg,
Germany, come to the United States and make his home with
us in El Paso, Texas.

For your information, we have been established in
this Community for over ^{twenty} ~~thirty~~ years, and our income is ample
to give this young man every comfort and enable him to continue
with his studies. We have no dependents, as our daughter is
married and living away from home, and our son is a member of
the business firm with an adequate income of his own. Our
home, which is unencumbered consists of nine rooms surrounded
by beautiful grounds, and we feel that it will be a desirable
place for our nephew's future home, one in which he will find
every convenience.

We hope you will give our nephew's application for
quota number and visa your favorable consideration, granting
him the privilege of entering the United States.

Thanking you, and assuring you of our deep appreciation,
we are

Respectfully yours,
