Dear Miss Henoch:

Re: Herman Weil,  
Stockach, Germany

Our Chairman, Mrs. Errold Lapowski, advises that she has received no mail with reference to the above case, and looking through our files we find no such name.

If you will send her the original letter, she will see that it is given careful attention. Mrs. Lapowski also asks that in the future you send a copy of all mail with reference to this department to her.

Yours very truly,

Mrs. Sol Goldfarb,  
Secretary.
