Guardians of our beloved campus.

## MILITARY SNAPS

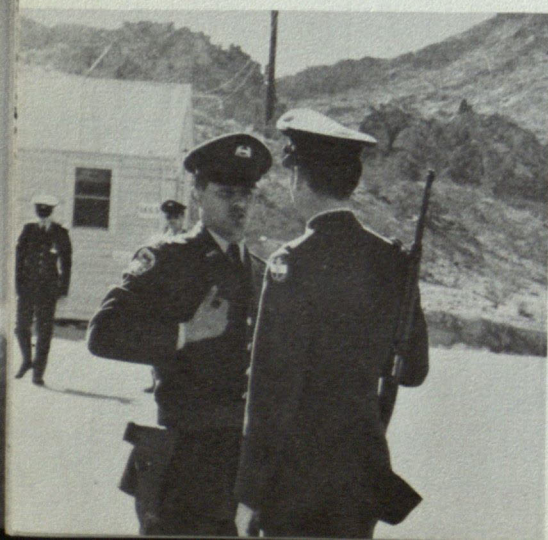

Daphne Read, military queen and her Lady-in-Waiting Kathy Smith smile for the Camera.

A Company awaits inspection.

Call me sir, private.

Eyes right!! Hut! Hut!

It pays to be a good  
military student.

Just think only two more years.

Too bad all ROTC students aren't this serious.

Watch your language  
David the Cameraman  
was watching.

... Forward March ...
