Re: Ruth & Helmut Beck.

Dear Mrs. Weinshenk:-

I would advise an extension on this case,
and have them come about the 20th of this month.

If you can arrange a document showing
cash instead of the jewelry, it will carry more
weight. The Consuls are little impressed with
jewelry and cameras. I do not think there will
be any difficulty in handling this case.

Yours very truly,

Mrs. Frank Zlabovsky,
Field Executive.
