Office of the President

Texas Western College

OF THE UNIVERSITY OF TEXAS

October 4, 1962

at El Paso

Congratulations to the editors of Flowsheet on a splendid Annual. I think it measures up in every way to the distinguished Flowsheets which have preceded it in the past.

Down through the years you will refer to this Flowsheet to remind you that this was a distinctive year in your life. You will not remember it as the school year of 1962-1963 quite so much as you will remember that it was a given year in your academic career, either freshman, sophomore, junior, senior or graduate. This Annual will be an enduring record of your experiences and associations during this memorable year. Many of the friendships you formed during the year will fade with the passage of time, but the Flowsheet will be ever-present with you as a continuing reminder of the rich experiences you enjoyed.

No institution like Texas Western College can attain the respect and prestige which the College now enjoys if it were not for the continually growing numbers of former students who came to love it, and in whose memories it lingers. Treasure this annual as a reminder of our College.

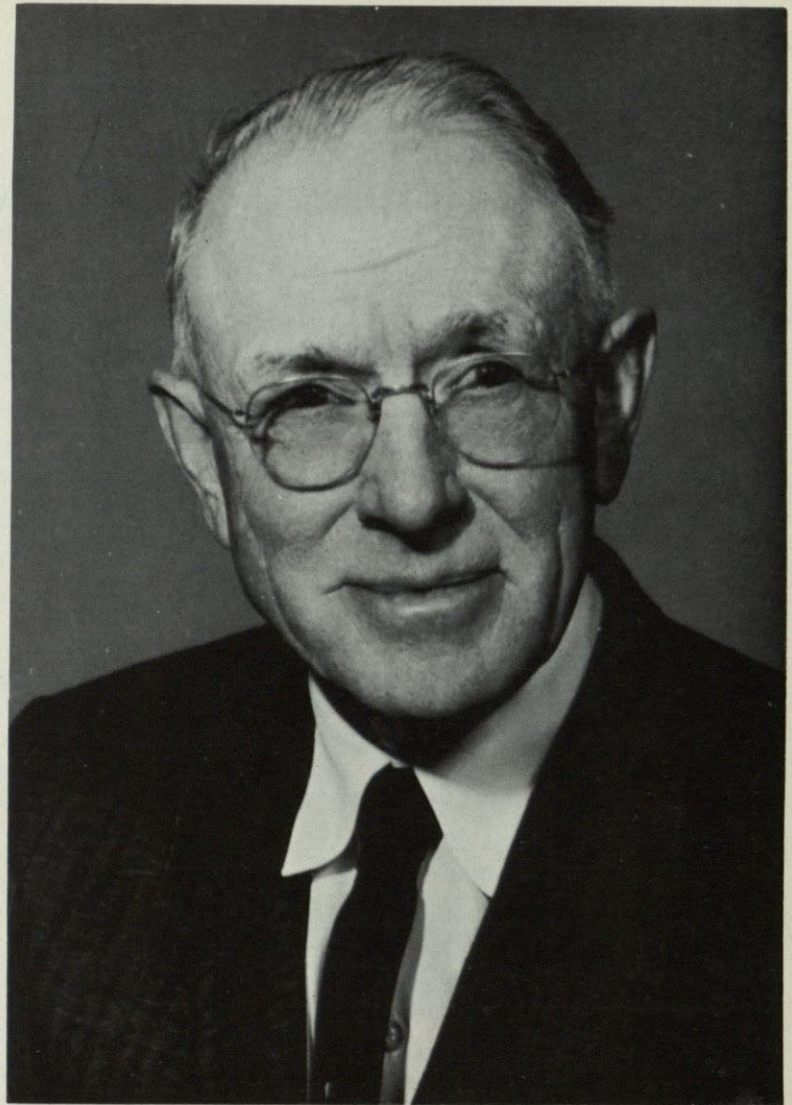

We have just completed a fine year at Texas Western College. We are accomplishing many things, and we hope that our progress with your good help will continue.

Sincerely,

Joseph M. Ray
