Scabbard and Blade is a national honorary military society which has been on the U.T. El Paso campus since 1956. Among their activities during the year, the group presents the flag at all University sporting events and sponsors the Military Ball and Cadet Hop for the ROTC department.

Major James L. Buckner is shown inspecting a cadets weapon during the Fort H. U.S. Army Inspection.

# Inspection

Each year the Forth U.S. Army sends an inspection team to inspect and review the cadets at the University of Texas at El Paso. The event is always highlighted by the visits of various military dignitaries from Fort Bliss.

Col. Jack F. Kiggins is shown above talking with UTEP President Joseph R. Smiley at the luncheon held for the inspection team.

Above: Cadets prepare the gym for the Homecoming activities. Below the Pershing Rifles are shown presenting their drill for the Homecoming Open House.

Shown above is Dr. Ray Small, Dean of the School of Liberal Arts, as he speaks to cadets, guests and alumni at the Homecoming Open House. Below, cadet officers are presented to the audience.

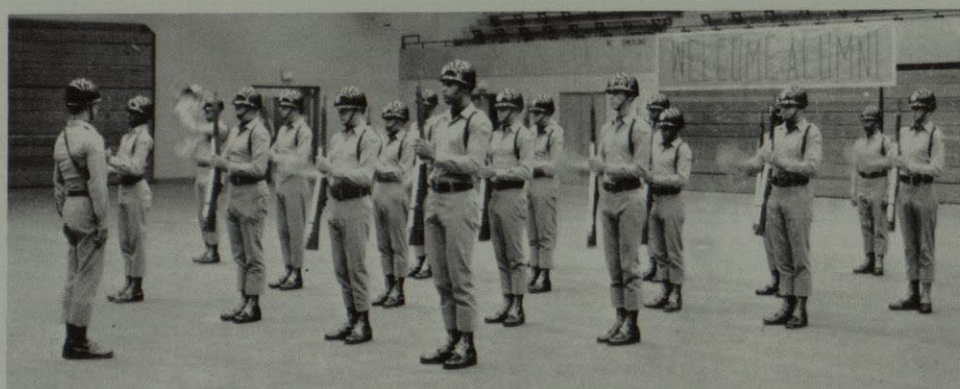

## Homecoming

Each year the ROTC department holds Homecoming activities. These activities include a guest speaker, a slide show, and an exhibition drill of both ROTC Sponsors and Pershing Rifles. The Homecoming Open House is open to cadets, guests and alumni. The Ft. Bliss Band provides music for the event.

## Pershing Rifles and Sponsors

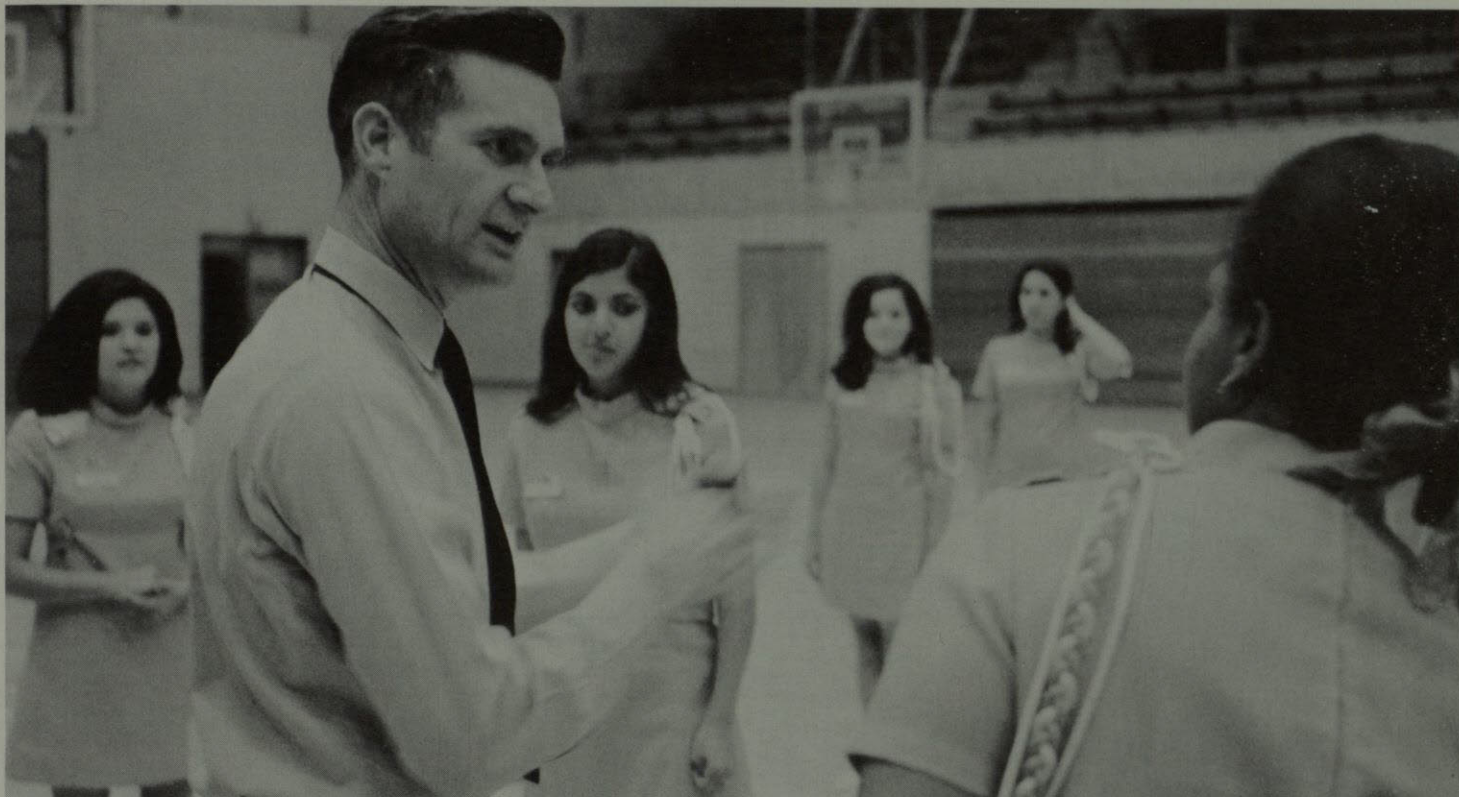

Pershing Rifles present arms at Homecoming

Taking part in parades is one of the many Pershing Rifles' activities.

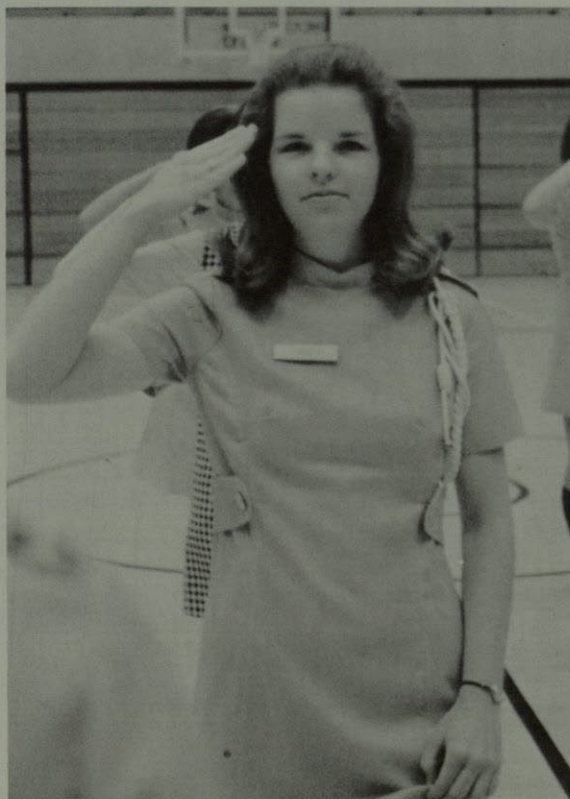

The Fall semester Sponsor Staff is, from left to right: Sheila Baker, Sandy Perryman, Eloise Clemente, Janis Stringer, and Sue Hellman.

SMG Donald M. Skinner helps the Sponsors perfect their drill routine.

The Pershing Rifles and Sponsors put in long hours of hard practice for their exhibitions. Both groups participate in Homecoming and in parades.

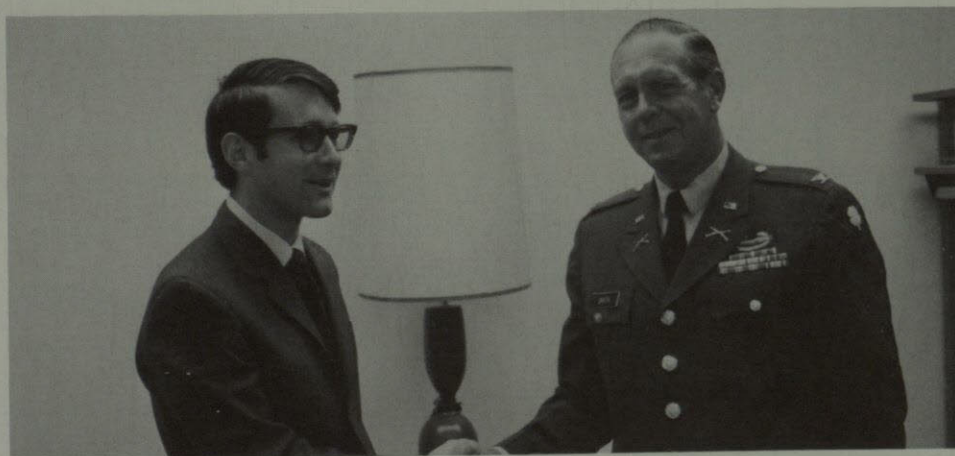

Sponsor Candy Crook presents arms during drill practice.

Above left: Cadets Richard Andrews, David Wallon, Brian Thom, and Sam McLellan are corps Lt. Cols.

Below left: Cadets participate in a leadership lab.

Top above: Cadets pay close attention to class discussions.

Above: Col. Herbert A. Smith Jr., Professor of Military Science, thanks Dr. Kenton Clymer for taking part in the Guest Speaker Programs that were held for the cadets.
