Biography or Historical Sketch

Founded over twenty years ago, the El Paso Collaborative for Academic Excellence aims “to ensure academic success for all students, K-16; to ensure that all students graduate from high school prepared to enter and succeed in a four-year college or university; and to close achievement gaps among groups of students.” This education reform initiative focuses on teaching training and leadership skills, parent development, and classroom operations as a way to achieve its goals.

Series Description or Arrangement

Series is minimally processed.

Scope and Content Notes

The El Paso Collaborative for Academic Excellence series (part of the UTEP Collection) dates 1991 – 2010. Types of records include course materials, computer disks, publications, and notes. This series is minimally processed. These records help document the goals and activities of the El Paso Collaborative for Academic Excellence from 1991 – 2010.

Provenance Statement

Transferred by the UTEP Centennial Office.

Restrictions

Records on computer disks cannot be copied. No student names (if present) should be used.

Literary Rights Statement

Permission to publish material from the UTEP El Paso Collaborative for Academic Excellence records, must be obtained from the C. L. Sonnichsen Special Collections Department, the University of Texas at El Paso Library. Citation should read, UTEP Collection, El Paso Collaborative for Excellence records, C. L. Sonnichsen Special Collections Department, the University of Texas at El Paso Library.

Notes to the Researcher

The following items were removed from the records:

- Attaining Excellence: 3rd International Math and Science Study (large box)
- Principles and Standards for School Mathematics Outreach Kit
- NCS Design Expert Software
- Survey Tracker Software
- Scanner manual (removed surveys about local schools)
- When Students Write, 3 VHS tapes
- Managing Change, manual and VHS tape
- 20 books on teaching, classrooms, schools
- Creating and Managing the Child-Centered Classroom, VHS tape
- Thoughtful Reading, VHS tapes
- Professional Development Management and Analysis/Raising Standards – fact books, manuals, software
- Failure is Not an Option, manual and VHS tapes

Container List

Box #	Folder #	Title	Date
1	1	El Paso T-STEM Center Summer High School Science Institute, Living by Chemistry: Engaging Students in Real World Investigations Related to Properties of Matter [removed from notebook], 1 of 6	July 21 – 24, 2008
1	2	El Paso T-STEM Center Summer High School Science Institute, Living by Chemistry: Engaging Students in Real World Investigations Related to Properties of Matter [removed from notebook], 2 of 6	July 21 – 24, 2008
1	3	El Paso T-STEM Center Summer High School Science Institute, Living by Chemistry: Engaging Students in Real World Investigations Related to Properties of Matter [removed from notebook], 3 of 6	July 21 – 24, 2008
1	4	El Paso T-STEM Center Summer High School Science Institute, Living by Chemistry: Engaging Students in Real World Investigations Related to Properties of Matter [removed from notebook], 4 of 6	July 21 – 24, 2008
1	5	El Paso T-STEM Center Summer High School Science Institute, Living by Chemistry: Engaging Students in Real World Investigations Related to Properties of Matter [removed from notebook], 5 of 6	July 21 – 24, 2008
1	6	El Paso T-STEM Center Summer High School Science Institute, Living by Chemistry: Engaging Students in Real World Investigations Related to Properties of Matter [removed from notebook], 6 of 6	July 21 – 24, 2008
1	7	Adapting to Change Leading Professional Learning Communities to Improve Science and Mathematics [removed from notebook], 1 of 4	July 8 – 9, 2008
1	8	Adapting to Change Leading Professional Learning Communities to	July 8 – 9, 2008

		Improve Science and Mathematics [removed from notebook], 2 of 4	
1	9	Adapting to Change Leading Professional Learning Communities to Improve Science and Mathematics [removed from notebook], 3 of 4	July 8 – 9, 2008
