Officers of TWC's Student Association are Bob Thomas, first vice-president; Allan Mendell, vice-president; Sandy Kahn, secretary; and Fred Craft, president.

The Student Association of Texas Western College is the executive branch of student government. It serves the purpose of executing the various activities on campus during the year. Any person who is a registered full-time student is a member of the Student Association, provided he pays the student service fee. Officers are elected from the student body each year in April. This year the SA has brought such top name entertainers as the Serendipity Singers, Glenn Yarbrough, The Beach Boys, Bill Cosby, and a return engagement of Peter, Paul, and Mary. The SA also brings many speakers to the college speaking on various topics of interest to the students.

Student Senate

Student Senators are a big part of Texas Western. They vote on legislation pertaining to the students and the college and directly represent the students from the various departments.

This year the senators were selected by a vote from members of their respective departments instead of popular vote as in the past.

Presiding over the Senate, Bob Thomas reads a bill to be voted on.

The tenure of office is one year when new Senators are elected to office from the various departments.
