Dear Miss Grose:

How nice it was to hear from you and what a treat it was to receive the pictures of your six beautiful girls but what a chore it was to pick the "Most Beautiful Girl". They are all so lovely that I hope I haven't offended anyone by the one I have picked, because as I say they are all so pretty.

Once again thanks so much for your invitation to judge your contest and my warmest personal regards to you and the other students of the school.

Cordially,

Tennessee Ernie Ford

We really respected those students chosen to be members of our Honorary organizations. Most of the organizations require a student to have a "B" average or better to be eligible for membership. Recognition for outstanding students of four years and for those who are members of Honorary organizations is given at the annual Honors Day Assembly in the Spring.
