Dear Miss Razovsky:

Re: Dr. Murette Blau,
Mexico City.

Several months ago the University of Mexico requested Professor Albert Einstein to recommend to them a Scientist, and upon his recommendation they sent for Dr. Blau of Vienna, Germany.

Dr. Blau left for Mexico City with her mother and after giving her services to the University, for about two months, she was advised that they were compelled to annul her contract. It seems that the racial question brought about this annulment. Dr. Blau wishes to leave Mexico and enter the United States.

Would it be possible to interview Prof. Einstein on the subject for the purpose of placing her in some college or university in the United States? Please let me have your views on this subject at your earliest convenience.

Thanking you, I am

Yours very truly,

Mrs. Frank Zlabovsky,
Field Executive.
