TEXAS WESTERN R.O.T.C.

The Reserve Officers' Training Corps is devoted to the training of students in military affairs so that Texas Western graduates can assume their rightful positions of responsibility in times of national emergency. All members of the Corps are observed and rated continuously to determine their fitness to wear the bars of a Second Lieutenant in the United States Army upon graduation.

The Officer Corps is the heart and soul of any military organization. It must be the reservoir of character and integrity, the fountainhead of professional competence, and the dynamo of leadership.

The Army and the people of the United States will expect of every one of our officers, his full devotion to Duty, Honor, and Country.

M. B. RIDGWAY
General, United States Army,
Chief of Staff.
