Alpha Epsilon Rho, National honorary radio fraternity, was granted a charter at Texas Western College in 1948. The main purpose is to encourage and recognize outstanding radio achievements among college students. Requirements for membership include excellent scholarship, a genuine interest in radio as a profession and an understanding of the principles of the national organization. This year Bob Prensky attended the National Alpha Epsilon Rho convention, and an Open House was held for faculty, parents, students, and personnel of the local radio and television stations to display new television facilities in Kelly Hall.

"The Greatest Honor of Them All"

Each of us is a member of a Fraternity or a Sorority. We find that the life of a member of such an organization is filled with the added friendship of other fellow members of Greek Societies. No matter where we go, we can be sure to meet someone affiliated with an organization such as those found on the campus of TWC. We find that Fraternity and Sorority life adds much to the students college career.
